

Tanveer Ahmed

Certified User Experience Designer from Userhub

Work Experiences

Motorola Solutions Penang, Malaysia

Senior UX & Service Designer | Full-time (On Site) | Oct 2024 - Present

Achievements

- Leading UX for a \$100M Mission Critical PTT POD project for NYPD, creating design rules and interactions to drive adoption and align with legacy systems.
- Managing cross-functional collaboration across software, hardware, industrial design, and human factors teams to deliver a unified user experience.

Nitex Dhaka, Bangladesh

Lead Product Designer | Full-time | May 2023 - Aug 2024

Achievements

- Designed a AI based "Trend Research" platform that boosted designer output from 2 to 10 per day, cutting the design-to-shipping cycle from 90 to 75 days.
- Designed a buyer platform for H&M and Zara, enabling design selection via tech packs, order placement, and end-to-end shipment tracking, increasing NPS from 4 to 7.
- Led a product design team of five, including both senior and junior designers.

R Europe (formerly Seedrs) London, UK

Product Designer | Full-time (remote) | Feb 2021 - Apr 2023

Achievements

- Refined and optimized investment and deposit journeys, increasing platform investments by 10%.
- Optimized platform workflows for the Legal & Finance team, enhancing usability and reducing processing time by 15%.
- Redesigned a Critical Role System that enabled managers to securely manage UK GOV official access, reducing unauthorized access risks.

Truck Lagbe Dhaka, Bangladesh

Sr. Product Designer | Full-time | Oct 2019 - Dec 2020

Achievements

- Crafted a CX Trip Monitor for 15+ customer care executives, reducing customer call times by 75% and improving truck allocation efficiency.
- Created a financial dashboard with data visualizations, improving B2B transaction tracking and cutting reporting time by 40%.

Studiomaqs Dhaka, Bangladesh

Interaction Designer | Full-time | Dec 2018 - Sept 2019

Achievements

- Conducted 10 usability tests to refine Banglalink's marketing website prototype, improving UI workflows.
- Designed polished, user-friendly UI for HungryNaki's food delivery app, implementing UX enhancements that improved usability and engagement.
