

Sondhi Holdings

Consolidating the Fire & Life Safety services market

About Us

Private investment company acquiring and operating established fire & life safety service businesses. Long-term ownership, founder-respectful transitions, and operational continuity.

What We Acquire

- Fire alarm, sprinkler, suppression, and life safety services
- Recurring inspection & maintenance revenue
- East Coast-focused operators

Investment Criteria

- EBITDA: \$500K–\$3M
- 10+ years operating history
- Strong local reputation
- Management willing to stay

How We Buy

- Majority or 100% acquisitions
- Simple deal structures
- Seller participation welcome
- Target close: ~30 days post-diligence

Post-Close Approach

- Retain employees & leadership
- Maintain brand and customer relationships
- Invest in systems, compliance and growth

Nishant Sondhi

Founder & CEO

Nishant is a seasoned fund manager who has raised millions in capital and successfully deployed it across multiple real estate and private equity investments. Previously, he built and scaled revenue operations across healthcare and real estate, developing deep expertise in sales optimization and growth strategy.

Through Sondhi Holdings, he is assembling a premier fire & life safety platform through disciplined acquisitions and organic growth, positioning the company to become a regional market leader.
