# ROOM SETUP LAYOUT

(Left blank on purpose)

## ALCOHOL PACKAGES

### RESTAURANT STYLE

This option includes a simple bar setup featuring well and popular liquors for sale. Upon request, we can also accommodate specific liquors and beers of your choice. There will be a bartender present for the paid duration of your event, with an additional fee of \$16 per hour for the bartender's payroll. This option will allow each guest to have their own tab and settle their bill whenever they are ready to close out.

### STOCKPILE

With this option, you can pre-purchase a specific amount of alcohol, which can include beers, liquors, or mixed cocktails. These will be sold to the event coordinator(organizer) at a discounted bulk price. If the purchase exceeds \$300, the bartender's fee will be waived for up to 4 hours. Any additional hours will incur a charge of \$16 per hour. Once the pre-purchase alcohol is consumed, guests may pay for their own drinks. Should your guest prefer something different from what was purchased beforehand, they can order anything available from Su Casa Grande's stock.

**TICKET SALE**

Another version of the stockpile option package, this option allows the organizer to distribute drink tickets to selected guests. These tickets can be redeemed for pre-purchased drinks. This method is a great way to control the pace of alcohol consumption and choose who you'd like to buy a drink for.

**OPEN BAR**

With this option, there is no hourly charge for the bartender, if the bill exceeds \$300. However, you will need to leave 2 debit/credit cards and IDs with us. This allows all guests to order and enjoy drinks freely, with all charges consolidated onto one bill. If you'd like to offer a limited selection of alcohol to help manage costs, this can be arranged prior to the event.

**IMPORTANT NOTE**

Please be aware, regardless of option chosen above, that all guests consuming alcohol must be 21 years of age or older, as required by Arizona State law. Su Casa Grande reserves the right to request identifications (ID) from any guest to verify age. Additionally, we maintain the right to refuse service of alcoholic beverages to anyone who appears under the age of 21 or who cannot provide valid proof of age. This policy is strictly enforced to ensure compliance with legal regulations and to promote responsible drinking.

### **Alcohol Package Agreement Terms**

By selecting an alcohol package, the renting party agrees to the following terms:

1. **Service Hours:** The bartender will be available for the duration of the event as specified in the package selected. Any additional hours beyond those included in the package will incur an extra charge.
2. **Billing:** For the Open Bar option, the renting party agrees to provide two debit/credit cards and valid IDs, which will be used to consolidate all charges onto one bill. The renting party is responsible for ensuring that the total bill exceeds \$300 to waive the bartender's hourly rate.
3. **Alcohol Provisions:** For the Stockpile option, the renting party will pre-purchase a designated amount of alcohol. If the purchase exceeds \$300, the bartender's fee for the first 4 hours is waived. Any remaining alcohol after the initial stock is consumed may be purchased by guests at regular menu prices.
4. **Responsible Consumption:** The renting party acknowledges that all guests consuming alcohol must be at least 21 years of age. Su Casa Grande reserves the right to request identification from any guests and to refuse service to anyone unable to provide valid proof of age or who appears to be under 21 years old. The renting party agrees to inform all guests of this policy and to ensure compliance.
5. **Liability:** The renting party assumes responsibility for ensuring that alcohol is consumed responsibly and within legal limits. Su Casa Grande is not liable for any incidents resulting from the consumption of alcohol during the event.

## **!!NO EXCEPTIONS!!**

**No Outside Liquor: Su Casa Grande Mexican grill and cantina has a title 12 liquor license covering the entire property, Su Casa Grande and its employees are the only ones allowed to sell or pass alcohol to guests that come from our approved distributors. It is your responsibility to inform all invited guests our rules and policies whether you are aware of the situation or not there are no exceptions to outside alcohol.**

### **Alcohol Terms and Policies Acknowledgement:**

I, the undersigned, have read and agree to the terms of the alcohol package as outlined above. I understand and accept the responsibility of ensuring that all guests consuming alcohol are of legal age and will comply with all regulations and policies set forth by Su Casa Grande Mexican Grill & Cantina.

If the event is canceled before the 2 month mark of the event then all money given will be refunded except for a 200 dollar service fee that will be charged. The room is nonrefundable 2 months before the event, if the room is combined with other packages and we have lowered the price of the room then that price is ignored to pay for the full room fee and any time and money already spent to decorate.

# REFUND POLICY AGREEMENT

## How Su Casa Grande Calculates Refunds

We give all of our guests 2 months before the event date to cancel and receive a refund except for a 200 dollar service charge, anytime after the 2 month mark then we would have to come together and see everything that has already been invested to make the event happen. The first thing when going over the refund is that all discounts applied to the room will be voided to account for labor and decorations purchased, for example if you were to spend 2000 dollars on food then originally we would have 600 dollars taken off the room. When an event is canceled if it is done after our refund period that we have given you then we cannot reserve and organize a party in such short notice and that is why we keep 100% of the room deposit. If we don't cook any food or even start decorating then you will get whatever is left over after paying the room and labor back to you.
