**PH** 3.61

**TA** 6.5 g/L

“These wines are blends of our favorite vineyards that we feel showcase the ultimate potential of the Willamette Valley as a winegrowing region.”

**Cheney Vidrine**  
Winemaker

## THE ART OF SCIENCE

There’s a mixture of art and science that goes into making our Alchemist wines. Alchemist is an inspiring blend of the very best from our favorite Willamette Valley vineyards and is the small-batch, pinnacle of the Union Wine company portfolio. This vintage is a bold and uncompromising wine crafted to elevate everyday moments to the realm of art.

The backbone of the 2022 Alchemist Pinot Noir is provided by Bass Hill Vineyard, located within the McMinnville sub-AVA. The shallow basalt soils and exposure to cool coastal winds result in small, thick-skinned berries that produce dark, concentrated flavors and rich tannins.

The balance of the blend comes from Roe and Roe Vineyard in the Ribbon Ridge AVA, Croft Vineyard in the Mount Pisgah AVA, and small amounts from various Eola-Amity AVA vineyards. The blend was chosen to provide a layered depth and complexity of fruit, tannin and acid that allows this wine to be consumed young or be aged for ten or more years.
