CLARITY OF SITE. CLARITY OF INTENT.

Amity Vineyards, one of the first pioneering Oregon wineries, was founded in 1974 by winemaker Myron Redford, who moved to Oregon with a dream to make world class Pinot Noir. He became known for his attention to detail and experimentation in the winemaking process, and as a result he was the first to produce organically grown sulfite-free wines. The first vineyards were planted in 1971, with a total of 15 acres planted in Pinot Noir, Riesling and Pinot Blanc.

Amity Vineyard sits 500 feet above the town of Amity where its south-facing slope gets warmth from the sun and cooler air blowing in from the Pacific Ocean 50 miles to the west via the Van Duzer corridor. The warmth brings ripeness while the cool evening temperatures allow the grape to maintain its acidity. The basaltic and marine sediment soils and low yields produce wines with a sense of place and purpose.

The single vineyard Amity Estate Pinot Noir captures the essence of our namesake vineyard for the 2021 vintage. Picked on October 1st, this fruit was fermented in small vessels to maintain a separation between the various blocks. A small amount of whole cluster inclusion was utilized to add a bit of depth and complexity to specific lots. After 12 to 16 days on skins, the fermenters were gently pressed, settled for 48 hours, and barreled down to neutral oak. After 10 months of élevage, the blend was assembled and bottled. Planted in 1971, these mature vines bring forth elegant but concentrated flavors, refined tannins, and balanced acidity that we feel genuinely epitomizes the legacy of this storied vineyard.
