Security & Compliance Advisory for Regulated Organizations

COMPANY OVERVIEW

INTERSERVICE LLC (dba Summit Range Consulting) is a WOSB-certified independent security and compliance advisory firm supporting regulated organizations with audit readiness, regulatory alignment, and security governance. We serve as a senior advisory and assessment partner for organizations subject to U.S. federal, sector-specific, and international regulatory requirements — preparing them to withstand audits, regulatory reviews, and third-party risk assessments through practical, evidence-driven compliance programs.

CORE CAPABILITIES

- Compliance & audit readiness advisory
- Regulatory gap assessments & remediation planning
- Security governance and risk alignment
- Privacy and data protection advisory
- Cloud security & secure migration advisory
- Third-party and vendor risk readiness
- Policy, control, and documentation development

TECHNICAL SECURITY SERVICES

- Penetration Testing — web, mobile, API, network, cloud
- Mobile Application Security (OWASP Mobile Top 10)
- Secure SDLC implementation & integration
- Phishing simulations & security awareness training

DIFFERENTIATORS

Advisory-Led Delivery

Pure advisory and assessment expertise — not a managed SOC or MSP.

Audit-Ready Evidence

Practical, evidence-driven compliance — not theoretical frameworks.

High-Risk Environments

Experience in regulated industries: healthcare, federal, finance.

Cross-Domain Expertise

Bridging regulatory, security, and cloud architecture domains.

ENGAGEMENT MODEL

Summit Range provides advisory, assessment, and readiness services — not a managed SOC or MSP. No long-term operational lock-in required. Engagements are scoped to regulatory objectives, audit timelines, and organizational risk posture. Flexible delivery aligned to your audit calendar.

REGULATORY & STANDARDS ALIGNMENT

- NIST Cybersecurity Framework (CSF)
- NIST SP 800-53 / 800-171 (FedRAMP-aligned)
- HIPAA Security & Privacy Rules
- ISO/IEC 27001, 27701, 27017, 27018
- PCI DSS / PCI 3DS / PCI PIN
- DORA — Digital Operational Resilience Act
- SOC 2 Readiness (control mapping & preparation)
- CMMC Readiness Advisory
- SWIFT CSP — Customer Security Programme
- NIS2 Directive — EU Cybersecurity
- GDPR — Data Protection Compliance

TARGET CLIENTS

- Federal agencies & government-adjacent organizations
- Healthcare providers & regulated service organizations
- Mid-market & enterprise with compliance obligations
- Defense contractors requiring CMMC/NIST 800-171 readiness
- Financial institutions & SWIFT-connected organizations

SECTOR EXPERIENCE

Healthcare

HIPAA assessments, privacy gap analysis, audit readiness for regulated providers.

Federal / Gov-Adjacent

NIST 800-53/800-171 control assessments, CMMC readiness, federal compliance alignment.

Financial Services

PCI DSS/3DS/PIN assessments, SOC 2 readiness, DORA & SWIFT CSP compliance advisory.
