Our Conclusion

Limited Assurance conclusion

Based on the procedures performed and evidence obtained, nothing has come to our attention that causes us to believe that Nadir Rafineri Sanayi ve Ticaret A.Ş. with regards to the "Subject Matter of the Assurance Engagement", has purchased or sold or had any other type of business relationship with the private companies or real persons from the Islamic Republic of Iran, Bolivarian Republic of Venezuela for the 12 months period from 1 January to 31 December 2025.

Basis for our conclusion

We conducted our engagement in accordance with *International Standard on Assurance Engagements (ISAE) 3000 (Revised)*, *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* issued by the International Auditing and Assurance Standards Board (IAASB) and the [LBMA Third Party Assurance Guidance version 2](#) (TPAG2). Our responsibilities under this standard are further described in the "Our responsibilities" section of our report.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

Independence and Quality Statement

Our firm applies International Standard on Quality Management (ISQM) 1, This standard requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Refiner's Responsibilities

The Directors are responsible for the preparation and presentation of the Subject Matter selected in accordance with the Criteria, and free from material misstatements, whether due to fraud or error. This responsibility includes establishing appropriate risk management systems and internal controls from which the reported information is derived and maintaining adequate records and assurance trails. The Directors are also responsible for determining the appropriateness of the Criteria in view of the intended users of the Report and for ensuring that the Criteria remain publicly available to the Assurance Report users.

Our responsibilities

In a limited assurance engagement, the evidence-gathering procedures are more limited than for a reasonable assurance engagement, and therefore less assurance is obtained than in a reasonable assurance engagement.

We are responsible for planning and performing the engagement to express a limited assurance conclusion based on the work performed and evidence gathered.

Summary of the work we performed as the basis for our conclusion

We exercised professional judgment and maintained professional skepticism throughout the engagement. We designed and performed our procedures to obtain evidence that is sufficient and appropriate to provide a basis for our conclusion.

The purpose of our testing was to ensure that:

- 1) The Company has not purchased any precious metals or related precious metals from any of the private companies or real persons from the Islamic Republic of Iran, Bolivarian Republic of Venezuela;
- 2) The Company has not sold related precious metals to any of the private companies or real persons from the Islamic Republic of Iran, Bolivarian Republic of Venezuela;
- 3) The Company does not have any other kind of business relationship with any of the private companies or real persons from the Islamic Republic of Iran, Bolivarian Republic of Venezuela

Our procedures include:

- **Suitability of Criteria:** reviewing the Refiner's supply chain due diligence policies and standard operating procedure documentation to determine conformance with the LBMA Guidance.
- **Business Understanding:** interviewing key management and senior executives to identify any significant changes to the Refiner's governance and internal control environment from the prior year against prior years and assess the impact of these against the Criteria.
- **Process Understanding:**
 - interviewing key management and senior executives to identify any significant changes to the Refiner's supply chain profile and data collection and reporting systems from the prior year and assessing the impact of these against the Criteria and our experience and understanding of risks in the precious metals supply chains.

- reviewing documentation and performing walkthroughs of identified key processes and controls to corroborate information provided by management.

Inherent Limitations and Restriction of Liability

Non-financial information is subject to more inherent limitations than financial information, given the more qualitative characteristics of the subject matter and the methods used for determining such information.

Intended use or purpose / Restriction on use or distribution

This report has been prepared for the Directors of Nadir Metals Rafineri San.Ve Tic A.S for the purpose of determining whether Nadir Metals Rafineri San.Ve Tic A.S conforms to the LBMA Guidance, in accordance with the terms of our engagement. We understand that the Report will also be shared with the LBMA to demonstrate the Refiner’s conformance with the Criteria. We consent to this on the understanding that the Assurance Report may only be used by the LBMA for this and no other purpose. We do not accept or assume responsibility to anyone other than the Refiner for our work, or for the conclusions we have reached in the assurance report.
