Trailer 53ft
Spec Sheet

Specifications

The new Expandable Trailer – a next-generation upgrade of our trusted design, combining cutting-edge engineering with the proven strengths of the Expandable concept.
This redesigned model delivers enhanced functionality and an even sleeker appearance, while staying true to what makes Expandable unique: adaptability, user-friendliness, and efficiency.

The Expandable Trailer is built for fast setup and effortless use. With its modular construction, the unit can be fully deployed by just one person in under 15 minutes. Its expandable sides create generous interior space without compromising mobility or setup time, making it an ideal solution for a wide range of applications. Like all Expandable products, the trailer is fully customizable to meet your exact specifications and offers short delivery times.
