Voting Rights

AIF Management Services S.A. applies adequate and effective strategies for determining when and how voting rights attached to securities held in the portfolios of AIFs managed.

Voting rights are exercised exclusively to the benefit of the AIFs managed or the investors of the AIFs managed.

AIF Management Services S.A. monitors corporate events relating to the exercise of voting rights on a regular basis.

Issues being voted at shareholder meetings are evaluated on a case-by-case basis.
