

## Rules of Behaviour

**We will treat you with courtesy and respect and we expect the same from you towards staff and other students.**

### In the virtual classroom

Our goal is to achieve the best education we can. To make this happen, we have to obey certain rules. This means you will have to behave in a positive way so that everyone gets the best education possible.

- 🍑 Arrive on time for your lesson
- 🍑 Bring any equipment you need/your teacher has asked you to bring
- 🍑 No bad language/comments either spoken or in Chat Box – remember your teacher sees everything and all lessons are recorded
- 🍑 Use manners when working with/talking to other students and the teacher
- 🍑 Do your best
- 🍑 The teacher is in charge of the room – and the class – so follow their instructions
- 🍑 Let us know if you are going to be absent/late – 01242 604985 or email [jodie@apricotlearningonline.co.uk](mailto:jodie@apricotlearningonline.co.uk)

Teachers will act according to how serious the behaviour is or how often it occurs. They may respond by private chat, removing privileges in the classroom, removal from the main classroom or reporting to higher authorities. This may involve contacting your base school / parents.

So, let's have fun in lessons!
