

Your Partner in Better Outcomes and Patient Experience

Wellness Care delivers personalized, concierge support for patients with chronic conditions—improving health, reducing burden, and strengthening your practice.

Helping patients navigate chronic care with confidence and support.

WHAT WE DO

We act as a trusted extension of your practice, providing your patients with:

- ✓ **Personalized Care Navigation**
One dedicated care advocate per patient
- ✓ **Chronic Condition Support**
Education, monitoring, and proactive outreach
- ✓ **Appointment & Care Coordination**
Reducing no-shows and care gaps
- ✓ **Lifestyle & Wellness Guidance**
Nutrition, activity, sleep, and stress support
- ✓ **24/7 Patient Support**
We're always here when they need us

THE VALUE TO YOUR PRACTICE

- ✓ **Improved clinical outcomes**
Better control of chronic conditions
- ✓ **Higher patient satisfaction**
Patients feel supported, not alone
- ✓ **Reduced administrative burden**
We handle the time-consuming tasks
- ✓ **Stronger patient retention**
Healthier patients stay with your practice
- ✓ **Enhanced care continuity**
Seamless communication and follow-through between your team and our care advocates
- ✓ **Possibility of Care Pro in the PCP's office**
On-site support to further strengthen your practice and patient experience

We follow all HIPAA, privacy and compliance regulations and work seamlessly within your care protocols.
