- MCA Y3 Engineer (Yacht) Certificate of Competency (2024)
- Approved Engine Course, AEC 1 & 2 (2018)
- High Voltage Awareness (2023)
- Advanced Fire Fighting (2022)
- Medical First Aid (2022)
- Proficiency in Designated Security Duties (2020)

SKILLS

- MTU and CAT main engines
- Kohler and Northern Lights generators
- HVAC, chilled water and refrigeration
- Watermakers, sewage and fuel systems
- Planned maintenance software (IDEA, Seahub)
- Hydraulics, stabilisers and thrusters

PROFILE

Y3 Engineer with seven years on motor yachts up to 65m, currently Second Engineer on a busy private and charter programme. Hands-on with MTU and CAT main engines, generators and hotel systems, and experienced in running the engine room through yard periods and long passages. Seeking a Second Engineer role on a 60m+ yacht, or a Chief Engineer position on a 40–50m.

KEY ACHIEVEMENTS

- Gained my Y3 Certificate of Competency in 2024 while working full time on board.
- Led engine room works through a 14-week yard period, including top-end overhauls on both main engines.
- Moved the planned maintenance system onto Seahub and cleared a backlog of more than 120 overdue tasks.
- Kept the yacht fully available through the 2025 charter season, with no days lost to technical faults.
- Completed four Atlantic crossings and a Panama Canal transit.

YACHTING EXPERIENCE

M/Y KESTRAVEN | 65m | Benetti | Private & Charter | 1,100 GT

Second Engineer • Feb 2023 – Present • Mediterranean, Caribbean & Pacific

- Second of three engineers, covering for the Chief Engineer on rotation.
- Responsible for main engines, generators and hotel systems, and engine room watches on passage.
- Ran the planned maintenance system and spares inventory, and worked with contractors in the yard.
- Maintained tenders, jet-skis and watersports equipment alongside the deck team.
- Supported the Chief Engineer with budgets, fuel planning and class surveys.

M/Y SOLBRAKE | 52m | Codecasa | Private | 499 GT

Third Engineer / ETO • Mar 2020 – Jan 2023 • Mediterranean & Northern Europe

- Owner-use yacht with a crew of twelve and an engineering team of three.
- Daily engine room rounds, generator maintenance and first-line AV/IT support.
- Assisted with a full generator replacement and a new stabiliser installation.
- Left to step up to Second Engineer.

M/Y ARLENNE | 40m | Sanlorenzo | Charter

Deck / Engineer • Apr 2019 – Feb 2020 • Western Mediterranean

- First yachting role as a dual deck and engineering crew member.
- Daily engine room checks, tender servicing and assisting the Chief Engineer.
- Deck duties, line handling and tender driving during charters.

Freelance daywork, Antibes | Nov 2018 – Mar 2019

- Engineering daywork on six yachts during the winter refit season, mainly generators and HVAC.

- Fabrication and TIG/MIG welding
- Tender and jet-ski engine servicing

INTERESTS

Rebuilding classic motorbikes, trail running and surfing.

SHORE-BASED EXPERIENCE

Marine engineering workshop, Cape Town | Apprentice Diesel Mechanic | Jan 2014 – Oct 2018

- Servicing and overhauling commercial and leisure marine diesel engines.
- Completed a four-year apprenticeship and trade test as a qualified diesel mechanic.

EDUCATION & TRAINING

National Certificate: Diesel Mechanic (Trade Test) | Technical college, Cape Town | 2014 – 2018
