Dear Members,

I am pleased to announce that our union has partnered with AFLAC NY to offer voluntary insurance benefits to all eligible members. This new benefit program is designed to provide you and your families with additional financial protection and peace of mind — especially during times of unexpected illness, injury, or loss of income.

Through AFLAC NY, you now have access to a variety of supplemental insurance plans, including:

- Accident insurance
- Critical illness coverage
- Hospital indemnity plans
- Dental coverage

These benefits are completely voluntary, meaning participation is optional and premiums are paid directly by the member through convenient payment options.

Our goal in offering these plans is to give every member the opportunity to strengthen their financial security beyond the coverage you already receive through your existing benefits. AFLAC representatives will be available in the coming weeks to educate, answer questions, review plan options, and help you enroll.

Please look for upcoming communication about enrollment dates, and contact information for your AFLAC representative. If you choose you can scan the QR CODE to see policy information or contact out Aflac representative, Joseph Pernice, at 917-886-7215 or email at [joseph\\_pernice@us.aflac.com](mailto:joseph_pernice@us.aflac.com).

Fraternally,

Joseph Pugliese, President
