The specifications, details, dimensions and floor plans contained in this floor plan and in any other marketing and sales materials prepared by the Alabaster Homes are provided for convenience only and do not necessarily represent the actual specifications, details, dimensions or floor plans of any proposed strata lot or common property in the Alabaster Homes. All specifications, details, dimensions and floor plans are subject to change as a result of requirements of governmental authorities, availability of materials and finishings, differences in measurement techniques between architectural drawings and survey drawings, and various other factors, in each case without notice to any purchaser. Patio columns and sizes vary and are dependent on each floor plan layout. Parking stalls acquired by any purchaser of a strata lot may or may not be located adjacent to direct access into the strata lot, at Alabaster Homes' discretion. For more information about specifications, details, dimensions and floor plans for Alabaster Homes, including the manner and method of allocating parking stalls, please review the disclosure statement and form of contract of purchase and sale.
