A LITTLE ABOUT ME

A Designer demonstrating strong creative flair, visual sense and technical capability. Industry experience of creating unique, visually striking designs using Adobe Creative Cloud software packages including Photoshop, InDesign, Illustrator, XD & After Effects as well as Webflow & Wordpress design & development software. Ability to quickly understand design brief requirements in order to create and develop new, contemporary designs as well as visual concepts and solutions.

KEY SKILLS

- Operating industry standard software packages such as Adobe Creative Cloud (Photoshop, Illustrator, InDesign, XD, After Effects), Figma, Webflow, Wordpress and Microsoft Office 365.
- Creating visually striking, unique designs across brand, print, web and digital including UI & UX ensuring attention to detail and working to tight deadlines.
- Identifying modern trends and incorporating ideas into designs.
- Creating & working within brand guidelines ensuring brand consistency.
- Providing a professional and helpful service to clients and colleagues.
- Working well independently and as part of a team.
- Willing to learn and develop knowledge and new skills in the design industry.

ACHIEVEMENTS

- Set up fundraiser challenge to run 10km a day for 21 days around Aberdeen & raised over £500 for Barnardo's children's charity to help vulnerable people affected by COVID.
- Commissioned to design bespoke typography art, graphics & branding on a freelance basis.
- Designed the Marketing Brochure as part of the winning project team for the rebranding of the historic Tivoli Theatre in Aberdeen.
- Duke of Edinburgh Award: Silver 2015 / Bronze 2013.
- Volunteered for a local Aberdeen charity between 2013 & 2015 as part of the DofE Award.
- Aberdeen Schools Rowing Association: Member of successful Rowing Club and competed In Scottish Rowing Championships & Strathclyde Park Regatta between 2011 & 2014.
