

The Bodary's Missionaries in Honduras Winter 2025

Merry Christmas and Happy New Year!!!

Another year is upon us, and before we close out 2025, we wanted to send everyone a special holiday greeting and prayer. We hope that this season has been a memorable time for you, and that all of you know that we are thankful for you and your friendship over the years!

Looking back on 2025, we have seen God's love, mercy and grace working in our lives as well as in the places that he has directed us, and in the people that we have crossed paths with. The first half of this year was spent serving in Honduras with Cornerstone Foundation at Hospital Loma de Luz and El Camino Bilingual School. And from there, we served in Montevideo, Uruguay at Christ Church. That was really a special time getting to meet, fellowship and minister to many new people and feel the love of God in so many.

The second half of the year we were in the U.S. There was a lot of travel, visiting family, friends and churches. We were able to spend productive time at our home in Michigan and quality time with our children and their families. Our grandson Luke is now 3 ½ and so much fun. It is always such a joy to spend time with our adult kids and grandson! We are thankful for God's leading and direction as we served in Honduras, Uruguay and the U.S. this year.

In January, we will return for our 6th year in Honduras. We look forward to being a part of God's blessings in this ministry. We will be exchanging the icy, snowy roads in Michigan for the muddy roads in Honduras! We are encouraged in the Lord's calling on our lives as we follow Mark 16:15 "Jesus said, Go into all the world and preach the gospel (GOOD NEWS!) to all creation." Sending Christmas and New Year blessings to all of you!

In His Vineyard,
Roger and Myla Sue

Support:

To stand with us financially, you can give online at: cornerstoneinternational.org/bodary or, to give by check, make payable to Cornerstone International and designate "Bodarys". Mail check to PO Box 192, Wilmore, KY 40390
