

THE GIFT - REDEMPTION

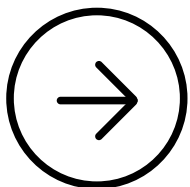

ON THE HEELS OF
OUR FIFTH ART CAMP
THIS YEAR WE
REJOICE IN SO MANY
STORIES THAT HE
CONTINUES TO
WRITE

We find ourselves more than halfway through the year asking God, "How can we continue impacting and being impacted by Your grace this year? You've already done so much!"

With this year's art camps complete, two art retreat/trainings and several discipleship meetings with our in-country volunteer team, we find ourselves always surprised by the ways He has shown up, spoken not only to those participating but to us as we lead. It has been such a sweet season of growth. We are so grateful and encouraged knowing that He who has started the work shall continue to perfect it until the time of His return. What a great joy and relief to know that He will continue to do it. He doesn't "need us", but yet He allows each one of us to be a part in His work - because it's also His way of perfecting us along the way. Wow.

You have been so faithful to carry us in prayer, serve on our team through financial partnerships, and spread the word to those around; we wish to give you all some of the cliff notes on the highlights as we transition into a major planning and strategizing season. We want to look back and remember what He has done through His body serving together.

WE HAVE SEEN HIS HAND AT WORK THIS FIRST HALF OF THE YEAR IN BRINGING MORE OF HIS PEOPLE TOGETHER TO BUILD ONE ANOTHER UP

Through opportunities to serve together, the Lord has been building unity through community. He has encouraged hearts to return to Him as they have been reminded of His care, control, purpose, and plan. Art is the medium used to illustrate His gift of Grace. And His Holy Spirit speaks to each heart as they experience the brokenness anew, reminding them of their need for a Savior.

GOD WINS

Praise the Lord for:

- two lives surrendered to Him
- help of an intern
- community growth (He is building a family among our national and international volunteers)
- over 250 lives experienced the Gospel anew through art this year alone
- PT clinic serving the disabled in Chichi
- reconnecting with dear friends

BIG ASKS

PRAY for:

- sustainability ideas for employing national missionaries
- full-time help at the clinic
- New clinic space near home
- healthy organizational growth as more people join us on the field
- unity in family and ministry leadership team
