

Bodarys in Honduras

Summer Update

Dear Family and Friends,

It is the middle of summer, and wanted to give you a brief update on our ministry opportunities. As we write this, we are packing bags for a return to Uruguay. We will be spending September there supporting the ministry and helping to welcome a new missionary couple and their three children as they begin a new season of ministry in Uruguay.

When we think of the travels and work we are active in as missionaries, a verse comes to mind from the book of Matthew, where Jesus responded to His mother and said, "I must be about my Father's business." We also think of all the ministries and activities we are involved in as a small part of our "Father's business." It has been a great joy for us to be "employed" in His work, which He has called us to do.

We invite **you** to be a part of what God is doing through us in Honduras, Michigan, and Uruguay!

We thank you for your partnership in the Gospel!

Update from Ministry in Honduras (Jan-Mar 2026)

We have completed our 6th year volunteering with Cornerstone Foundation at Hospital Loma de Luz and El Camino Bilingual School, Balfate, Colón, Honduras. What a joy to serve here! We have bonded with these missionaries and Hondurans who live here year-round. Our main focus when we are here, or wherever we go, is to assist the work in whatever is needed. This involves "filling in" the gaps and voids, such as the Housing Project for both the hospital and school, to help and support those serving full-time. We hosted visitors and visited other local ministries to support their faithful work as well. We loved being a part of this multicultural organization and fellowship!

We want to acknowledge and thank all of you for praying for El Camino Bilingual School accreditation for High School. It is now an accredited, licensed K-HS School in Honduras. Another answered prayer is that El Camino Cafe was opened this year and is a blessing to the ministry and to the community. **We are so grateful for prayer warriors who partner with us!**
