

Accessibility Statement

ExamSure is committed to ensuring digital accessibility for all users, including people with disabilities. We are continually improving the user experience for everyone and applying relevant accessibility standards to enhance usability and inclusivity.

Our commitment

We strive to make the ExamSure platform accessible and easy to use for as many people as possible. This includes designing and developing our website and services in line with recognised accessibility guidelines and best practices.

Accessibility Standards

ExamSure aims to conform to the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA. These guidelines explain how to make web content more accessible for people with a wide range of disabilities, including visual, auditory, motor, and cognitive impairments.

Measures we take

- Providing text alternatives for non-text content
- Ensuring sufficient color contrast and readable fonts
- Supporting keyboard navigation across key features
- Designing consistent and clear layouts
- Making forms and interactive elements accessible
- Testing compatibility with screen readers and assistive technologies

Ongoing improvements

Accessibility is an ongoing effort. We regularly review our platform, conduct audits, and implement improvements to address accessibility issues. We also consider user feedback as an essential part of this process.

Limitations

While we aim to ensure full accessibility, some content may not yet fully meet the highest accessibility standards. We are actively working to identify and resolve these areas.

Feedback and contact information

We welcome your feedback on the accessibility of ExamSure. If you encounter any barriers or have suggestions for improvement, please contact us:

Email: admin@examsure.com

We aim to respond to accessibility feedback within a reasonable timeframe and will do our best to address any issues promptly.

Enforcement procedure

If you are not satisfied with our response, you may seek advice from your local regulatory authority or accessibility body.

Statement updates

This accessibility statement will be reviewed and updated regularly to reflect improvements and changes to our services.
