

Topupmeters is supported by a recurring subscription, billed annually or monthly.

Subscription charges are paid by the landlord or bill payer collecting revenue.

Equivalent daily standing charges are for guidance only.

Optional  
**Standing Charge**

## One Annual Payment

or

## 12 Monthly Payments

### £56.00

per annum plus VAT

Add **£10** plus VAT per annum for dual fuel

### £5.50

per month plus VAT

Add **£1** plus VAT per month for dual fuel

### 18.3 pence/day

### 21.7 pence/day

All charges are based on a minimum 1 year subscription. Paid annually in advance. Costs to the landlord for metering services are recoverable by a modest standing charge that the consumer pays. Guidance and regulations comply with OFGEM rules on Resale of Gas and Electricity.

Energy tariffs are set by the main bill payer to conform with OFGEM guidelines. Support for single rate and economy-7 dual-rate tariffs, dual-fuel tariffs for gas or water can also be set.
