Potential starts **here.**

Content is responsive across all devices for a consistent learning experience.

The Content Marketplace for Business

Since 1981, we've helped organizations build safer, stronger, and more capable teams through a vast catalog of training programs for safety, compliance, upskilling, and reskilling. We help organizations identify skill gaps and training needs, providing pre-curated and unique content bundles that give your employees the targeted training necessary to drive growth, stay compliant, cover certifications, and meet business goals. Our publishers include industry leaders, premium specialty publishers, and innovative emerging publishers.

Feature Rich

End-of-course quizzes, trainer guides & completion certificates included with most courses.

English & Spanish Options

Hundreds of courses are offered in Spanish, plus CC options are included.

State Specific Training Offerings

Stay compliant with new regulations and the required frequency of training renewal.

Budget Friendly

Per course, bundles, digital licensing, & LMS options customized to fit your budget.

SCORM & API Integrations

Support for the latest industry standards and integrations.

Streaming Option

Option to include Streamery, a VOD platform with a 'build & assign' playlist feature.

There's more reasons to choose TraineryXChange

TraineryXChange is part of TraineryLEARN™, the learning platform that gives you the power to manage every type of learning, at every phase of growth.

TraineryLEARN™ connects learners, training managers, administrators, content, and L&D teams in a centralized, role-based platform. The integrated modular solutions provide organizations with a unified view of their learning ecosystem.

Your Partner in Training Content

Help your employees, customers, vendors, and channel partners learn the skills they need for today and tomorrow.

We've been a market leader in workplace training content for over three decades. Our marketplace features 5,000+ targeted and proven training courses from world-class publishers, curriculum developers, and training professionals.

Our training experts work with you to create the content bundles and customized curriculum you need, tailored by topic, audience, skill level, state, risk, regulatory requirements, and training methods.

Interested in publishing with us?

We constantly seek out new, engaging, and high-quality content to bring our customers the very best. We make it a priority to source exceptional, dynamic content that truly resonates with our customers. Our instructional specialists and customer success representatives can help you prepare materials for the marketplace and collaboratively develop marketing plans. If you are interested in learning more about publishing training materials in our marketplace, please email info@traineryxchange.com.

Some of our publishers include:

5 out of 5 Stars

Love from Our Users

“I appreciate the ease of use, the volume of relevant topics, and the quick response time if I have a question. My contact from the beginning has been a customer service pro!”

“The content diversity, language options, and built-in quizzes and run times have hit a home run with our managers and users, especially the workplace safety titles.”

“Easy to implement a large volume of diverse content in English & Spanish with good support.”

“The ease of assigning training to enrolled staff and their ease of logging in to view them is done well.”

“The library is extensive, and any time I need a new topic or approach, it's always been delivered. It's our go-to resource.”
