

Connecting with your benefits is easy

Now that your Optum Rx plan is active, you can register your account at **optumrx.com/register**. You're in control with our easy-to-use digital features.

Once registered, you can:

Choose how we contact you

Sign up for emails or text messages to have access to your communications online 24/7.

Locate a pharmacy

Use the pharmacy store locator tool to find a covered pharmacy or learn more about your pharmacy options.

View coverage and benefits

Search your plan's drug list to find covered products, pricing and additional details.

View claim details

Access your claim and order history.

Visit the Information Center

View drug recalls, download the reimbursement form, read helpful articles, and more.

Chat with Optum Rx

Get help anytime, 24/7.

**Connect
with us
today**

Scan this code with your phone's camera and click the link or visit **optumrx.com/register** to get started today.

You can also download the Optum Rx app from the Apple[®] App Store[®] or Google Play[™].

Get your member ID card anytime — online or in the app

Lost your member ID card? Didn't receive one in the mail? No problem. You can view a digital copy of your ID card anytime on our website or in the app.

Here's what you need to do:

1 Set up your account

Go to optumrx.com and create a HealthSafe ID (if you don't already have one). To verify your identity, you can use your member ID number.

You can scan this code to get started

2 Get your member ID card

Once you're registered, you can:

- View your member ID card
- Download or print it
- Save or share it
- Add it to your digital wallet

You can also order a new card by mail.

3 Choose how you want to access your card

Option 1: Use the optumrx.com website

- Sign in to your Optum Rx account
- Go to **My account > Account details** to find your member ID card

Option 2: Use the Optum Rx app

- Sign in using the same username and password as the website
- Tap your profile in the top left corner
- Tap **Member ID Card**
