**EFFICACY
AGAINST
WASPS AND
NESTS**

VINFERMATÓN WASPS AND NESTS

Specially formulated insecticide for getting rid of wasps and hornets' nests. Its long-range valve enables spraying the product towards the insect/nest at a distance of up to 4 metres away, without the need to get close or putting yourself in danger. Immediate action. 400ml format with long-range valve.

ELECTRIC INSECTICIDES

45 
NIGHTS

VINFERMATÓN ELECTRIC LIQUID

Electric liquid insecticide to repel flies and mosquitoes. Furthermore, its formula also keeps away dangerous species such as Tiger mosquitoes. Forget about the annoying presence of these insects by placing the diffuser in any room and with no need to use any insecticide sprays of any kind. Up to 45 nights of protection.

EFFECTIVE EVEN WITH
OPEN WINDOWS

VINFERMATÓN ELECTRIC TABLETS

Electric insecticide with tablet refills effective against flies and mosquitoes, including tiger mosquitoes. Enjoy an insect-free home at any time of the day and with no need to use any insecticide sprays. Effective even when windows are open.

VINFERMATÓN GREEN

Suitable insecticide for combating against all kind of crawling insects. Specially formulated to get rid of cockroaches, ants and spiders in a matter of seconds. Available in 200ml, 400ml and 750ml format.

VINFERMATÓN PERMANENT INSECTICIDE

One of our flagship products for its effectiveness and duration. Vinfermatón Permanent Insecticide is a residual lacquer that, when applied in strategic points of your home such as corners, baseboards and entrances, will keep away and repel all kinds of insects. Keep your home free of cockroaches, ants and spiders and deter these types of insects, as these are the most difficult to get rid of.

Up to 1 year without insects.

VINFERMATÓN COCKROACHES

Effectively kills cockroaches, ants and spiders. Its formula is specially designed to kill any crawling insect in your home in seconds. Keep your spaces free of cockroaches, ants and spiders.

**Clean floors.
Insects out.**

1L

VINFERMATÓN INSECTICIDE CLEANER

Vinfermatón Insecticide Floor Cleaner is a product suitable for all types of floors and surfaces which kills cockroaches and ants and creates a protective barrier, leaving a pleasant and intense lavender scent after application. It is especially effective to neutralise insects carried by our pets after their walks and going outside.

MULTI-INSECT

VINFERMATÓN ANTI-MOOTH

Vinfermatón antipolillas, antiácaros y antichinches es un producto único en el mercado. Su exclusiva y potente fórmula es apta para utilizar también en textiles, dejando un increíble aroma a lavanda y combatiendo eficazmente las polillas, los ácaros y las chinches.
