catalogue

Give your home a change in the ambience.

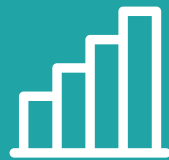

The brand Campero tries to create experiences and atmospheres in your home with a huge variety of formats that adapt themselves to the needs of each consumer

Why Campero?

Huge variety of scents.

Campero cuenta con una amplia gama de ambientadores para casa ideales para cualquier estancia.

All kinds of formats for your home.

Small formats for small spaces, or big formats for the biggest rooms at home We got you covered.

A versatile spectrum.

A versatile spectrum Car air fresheners, also for home, bathrooms, living rooms... All the solutions you need to forget bad smells.

High quality for EVERYONE.

With a really nice price-quality, the brand Campero covers all the air freshening needs for your home and your daily life.

Origins Tronic.

The traditional air fresheners adapted for use in a dispenser. The Origins family includes different air fresheners with classic notes recognisable to all. From fresh lavender to nostalgic children's cologne.

They can be used by hand without the need of any dispenser if you'd like.

Perfume.

Emulating different luxury perfums, the Parfum family tries to get the exclusive and distinction feeling in just an air freshener for home with really nice and recognizable notes.

They can be used by hand without the need of any dispenser if you'd like.

Deluxe.

Exotic and spicy notes. For the daring and adventure lovers. A bamboo with aloe vera, woody notes, argán...

Vintage.

Inspired by handmade soaps, Campero Vintage imbues the atmosphere of cleanliness and softness with the fragrances of a lifetime.

Tea & Fruit.

Campero Tronic Tea & Fruit is our most successful line of replacement aerosol formats for dispensing devices. The entire Campero Tronic range is suitable for all diffusers on the market. The Tea & Fruit family combines the properties of different teas with a specific fruit, creating very special and innovative combinations.

Sweet Life.

In the Sweet Life family the sweet is the most important thing. Evokes the smells of sweets more recognizable Give it a touch of sweet and candy to your home in your most funny moments.

Origins.

The classic spray format with a wide variety of fragrances and formats to choose from.

It's a convenient way to freshen up your home by hand. With a couple of sprays, the room will be perfumed in a lasting way, and with hardly any effort!

Homes are a reflection of their owners, which is why Campero Origins has a range of 8 different air fresheners to suit all tastes.
