The beauty of wood with the ease of composite.

With its authentic wood-grain appearance, Trex Enhance® Naturals offers all the charm and none of the trouble of pressure-treated lumber. Imagine enjoying the very same multi-tonal streaking now and 25 years from now without costly, continual upkeep.

- Lightweight, lower cost with scalloped underside
- SunComfortable IR technology in Honey Grove, Cinnamon Cove, & Golden Hour colors
- Backed by 25-Year Limited Residential Warranty
- Sun Comfortable IR technology will be added to Rocky Harbor, Foggy Wharf, and Toasted Sand as a rolling change in 2026.

TREX SIGNATURE X-SERIES FRAMELESS GLASS INFILL KIT & LAMINATED GLASS PANEL 	Glass Infill Kit (One Size) Horizontal	TXRXGLIKBK	N/A

A customized complement to modern decking. Effortless style, exceptional strength.

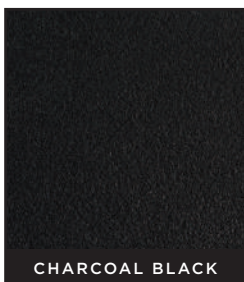

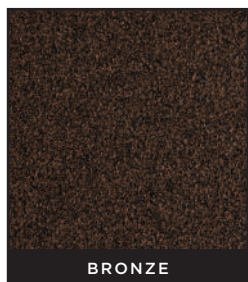

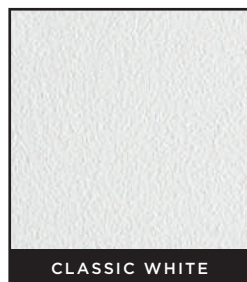

Every deck deserves a signature. Through the use of aluminum, mesh, rod, or glass panels, you can add a contemporary edge to any outdoor space.

- Aluminum possesses unparalleled strength with minimal geometry
- Powder coating allows the aluminum to retain color and resist corrosion
- Sweeping hand rails & swivel brackets turn angles into arcs
- Raise the bar with understated post cap and railing lights that cast a glow
- Contains a minimum of 40% recycled aluminum, a 100% renewable resource
- Backed by the Trex Signature Railing Limited Warranty

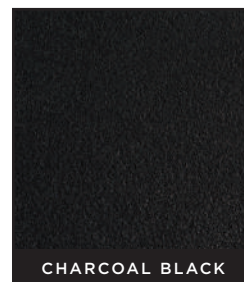

Q2 2026 LAUNCH - COMPATIBLE WITH X-SERIES POSTS

- Cocktail rail brackets for cable rail
- Signature Railing Brackets
 - Fixed Horizontal
 - Compound Swivel
- ADA Brackets: Wall mounts and wall return

Elegance meets simplicity with affordable, easy-to-install Aluminum Assembled Panels

Whether you're looking for a resilient metal railing to stand up to the elements or a design that lets your view take center stage, our new Select Aluminum Railing system takes the work out of decision-making.

Crafted for DIYers and contractors alike, Select Aluminum Railing is the perfect blend of simplicity and ease. Powder-coated aluminum in multiple colors resists corrosion and rust.

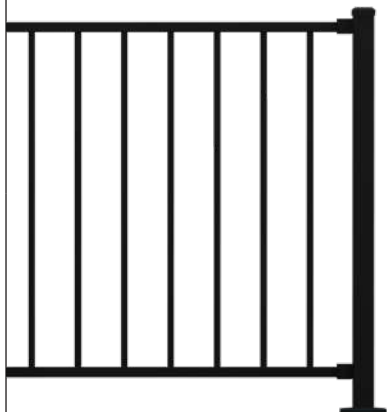

- **Durable Materials** | Lightweight, corrosion-resistant, our panels perform well in all weather conditions
- **Low Maintenance** | Powder-coated finishes that won't rust or peel, making upkeep hassle-free
- **Modern, Versatile Design** | Clean design, multiple color options for clear sightlines that put the accent on versatility
- **Strong Warranty** | Comes with a 25-year Limited Residential Warranty coverage

If The Trex Name Doesn't Sell This Railing, The Price Certainly Will

The composite railing system, featuring a popular T-shaped top rail, is designed to make the beauty and convenience of Trex's high-performance composite and aluminum railing available to a wider audience with pricing that competes head-to-head with PVC vinyl railing.

- Composite rail system with popular t-shape design on top, and featuring round aluminum balusters in charcoal black, or square composite balusters in classic white
- New All-In-One Post Kit, in Classic White and Charcoal Black, with low profile post sleeve, post cap, and skirt, simplifies and economizes buying and building composite railing
- Quick, easy installation with a low profile, underside bracket system
- Made of a minimum of 40% recycled materials
- Compatible with Trex Select All-In-One-Post
- Backed by a 25-Year Limited Residential Warranty and 10-Year Commercial Warranty

Entry-level steel railing delivers functional design at a budget-friendly cost

Easy to install, our black powder-coated steel panels couple perfectly with pre-bracketed posts, making quick work of your railing jobs.

Easy to install, pre-assembled panels take the pain out of installation

- **Durable Panels** | The strength of steel allows our panels to withstand harsh weather conditions, insects and weathering
- **Beats Wood** | Handily beats wood railing with its easy maintenance
- **Aesthetic Appeal** | Pre-assembled panels are compatible with a variety of post options from metal to composite
- **Modern, Versatile Design** | Blends with a variety of architectural designs with minimalist panels that optimize views
