ABOUT OREPAC

OUR HISTORY

OrePac is a family-founded and operated business, established by the Hart family in 1977 with a vision to provide exceptional products, service, and support to the shelter industry. Through strong leadership and commitment to success, OrePac has grown into one of the premier distributors in the Western United States.

In November 2025, OrePac joined forces with Specialty Building Products (SBP), bringing together two organizations with a shared commitment to excellence, strong partnerships, and delivering value.

Trust, integrity, and a dedication to excellence are the values most important to OrePac. This dedication to our markets has enabled us to make a positive impact on the shelter industry and the communities we serve.
