

Why Therma-Tru?

For over 60 years, Therma-Tru has led the entry door industry — inventing the first fiberglass door in 1983 and earning the title of #1 entry door brand¹ among building professionals for 20+ consecutive years. When you choose a Therma-Tru® complete door system, you choose decades of craftsmanship, innovation and quality built into every door.

THE COMPLETE SYSTEM

- Door panel, glass & lite frame, hinges & sills, locking mechanisms, weather sealing & composite frame
- Every component designed to work together seamlessly

PROVEN PERFORMANCE

- 4x the insulating R-value of wood
- Tested 10x more than required
- Maximizes energy efficiency, security & curb appeal

SAFETY & SECURITY

- Up to 30% more resistant to kick-ins than standard steel doors²
- Durable construction absorbs and deflects force²
- Fiberglass doesn't rot, warp, crack or dent

TRU-DISTINCTION™ DEALER PROGRAM

Recognizing partners who deliver a superior shopping experience, Tru-Distinction provides exclusive tools and resources that elevate your business and build homeowner confidence.

Program Advantages

- Enhanced showroom support and merchandising
- Increased online visibility and lead-generation tools
- Ongoing training and certification opportunities
- Access to premium marketing materials
- Stronger alignment with the industry's #1 entry door brand¹

Why it matters

With 67% of consumers seeking guidance from in-store sales associates, Tru-Distinction ensures your team is equipped to inspire trust and drive results.

CERTIFIED INSTALLER PROGRAM

Proper installation is essential to unlocking the full performance of a Therma-Tru door system. This program provides hands-on training to ensure every door is installed with precision.

Certification Benefits

- Training from Therma-Tru and OSI®, leaders in fiberglass door systems and sealing technology
- Flexible online or in-person learning options
- Digital certification testing and installer recognition
- Eligibility for increased Tru-Defense® warranty reimbursement

Expert training. Professional results. Confidence built into every opening.

²Comparison of pendulum impact test results for Therma-Tru doors in steel versus fiberglass.

Note: See your Therma-Tru seller or visit thermatru.com for details on limited warranties and exclusions. 026-705050

PRISMAGUARD® FINISH

With an inspirational palette of stain and paint colors, PrismaGuard finish allows you to express your unique style while complementing your home's overall look.

- Designed for optimal performance with Therma-Tru® fiberglass doors
- Features enhanced durability to protect from everyday wear and tear
- 10-year limited finish warranty¹

LIFETIME LIMITED WARRANTY

Therma-Tru stands behind more components, for longer, than most other door brands. Because we engineer the entire system, homeowners enjoy comprehensive coverage backed by decades of proven performance.¹

TRU-DEFENSE® WARRANTY RIDER

For the highest level of protection, choose a Tru-Defense door system. Each system features genuine Therma-Tru components engineered for maximum strength, security, and weather resistance.

When installed by a Therma-Tru Certified Door System Installer, a homeowner's reimbursement eligibility doubles if an issue arises.

This exclusive benefit reinforces the importance of proper system installation and ensures long-lasting performance.

¹Coverage varies by door collection.
