

OVERVIEW

5th Ridge Solutions is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing hands-on program execution, operations, logistics, governance, and delivery support. We help prime contractors stabilize programs, strengthen execution, and reduce delivery risk.

Core Strengths

Program & Portfolio Leadership

PMO governance, schedule/budget oversight, KPI/SLA management

Operations, Procurement & Logistics

Readiness, vendor coordination, asset management

Governance, Risk & Compliance

Audit readiness, risk/issue management, contract alignment

Delivery Excellence

Process improvement, corrective action, efficiency gains

Data & Reporting

Executive dashboards, KPI visibility, decision support

Capture & Proposal Support

Compliance, staffing models, execution planning

Past Performance (Principal Experience)

- \$90M+ federal software & modernization portfolios executed
- \$350M+ global logistics operations across 18 countries
- \$2B+ portfolio reporting & executive decision support
- Reduced corrective actions by 30% across 100+ programs
- 98% proposal compliance accuracy across federal bids

Why Choose Us

- Two senior, billable SDVOSB principals with no overhead and immediate impact
- Proven delivery inside regulated, audit-heavy federal environments
- Senior-level surge execution support during audits, transitions, and program recovery
- Trusted to stabilize, recover, and accelerate in-flight programs
- Flexible engagement models: subcontract, SOW-based, 1099, or advisory

Leadership

Anthony Sanchez | Owner & Principal Operations Consultant
