

Year 5 Summer 2

Homework Grid

Please complete two or three from the table below. You can complete more if you want to!

Writing	Free writing! It's your last chance to show me your wonderful writing Year 5! Create a poem, a description, a story, whatever you would like me to read to show off what you have learned! I can't wait!!	Research the Silk Road. Write a non-chronological report detailing the most interesting facts about it.	Learn about Ibn Battuta. Write a travel journal outlining the places he visited. How did he feel about them?
Maths/ Science	How did the traders use the stars to help guide them? Research and make a guide of the stars for travellers.	There are loads of fun science investigations you could carry out on our new topic, Earth and Space. Choose one from this website (I like marshmallow constellations 😊). https://www.steamsational.com/mars-hmallow-constellations/	Create a map showing the countries that made up the Silk Road.
Artistic/ Hands-on	Research artwork that was traded on the Silk Road. Find some inspiration and recreate your own masterpiece!	Can you cook something inspired by Space exploration? Think planets, constellations, milky way!	Design and build your own caravanserais. What features will you have for all of the weary traders that stop by?
Mental Wellbeing	Write a thank you letter to somebody to show your appreciation for a gift or something that the recipient has done for you.	Do some mindfulness colouring! Bring it in to show us all	Keep a sleep diary over the course of a week to check if you have been getting enough sleep each day. Record how you felt.

Homework is due on Friday 17th July for a class exhibition.
