

## Configure your Quooker system

A Quooker system is made up of a tap on the work surface and a **tank** in the cupboard underneath. There are three different tanks. Do you also want chilled and sparkling water? If so, combine your Quooker with a **CUBE**.

Go to the configurator

### Step 1: Choose the tap

### Add the CUBE (optional)

Do you also want chilled and sparkling water? If so, add the CUBE alongside your chosen tank.
