CLAIM INFORMATION

LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible so that a claim decision can be made in a timely manner. Notice of claim should be sent within 30 days after the date your disability begins. In addition, you must send Unum proof of your claim no later than one year after the date your disability begins unless your failure to do so is due to your lack of legal capacity. In no event can proof of your claim be submitted after the expiration of the time limit for commencing a legal proceeding as stated in the policy, even if your failure to provide proof of claim is due to a lack of legal capacity or if state law provides an exception to the one year time period.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE PROOF OF CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

The form to use to submit your proof of claim is available from your Employer, or you can request the form from us. If you do not receive the form from Unum or your Employer within 15 days of your request, send Unum proof of claim without waiting for the form.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Proof of your claim, provided at your expense, must show:

- the date your disability began;
- the existence and cause of your sickness or injury;
- that your sickness or injury causes you to have limitations on your functioning and restrictions on your activities preventing you from performing the material and substantial duties of your regular occupation or of any other gainful occupation for which you are reasonably fitted by education, training, or experience;
- that you are under the **regular care** of a **physician**;
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians; and
- the appropriate documentation of your monthly earnings, any disability earnings, and any deductible sources of income.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. We may also require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income. We may request that you send periodic proof of your claim. This proof, provided at your expense, must be received within 45 days of a request by us. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to meet with and be interviewed by an authorized Unum Representative. Unum will deny your claim, or stop sending you payments, if you fail to comply with our requests.

The initial payment for a payable claim will be made within 60 days from the date proof is received.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim;
- disability earnings; or
- deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made which may include reducing or withholding future payments including the minimum monthly payment.

Unum will not recover more money than the amount we paid you.

Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you under this policy, or by other legally permitted means.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

When your Employer pays 100% of the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage.

When you and your Employer share the cost of your coverage under a plan or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if **evidence of insurability** is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled your coverage and are reapplying.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness or temporary leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a **leave of absence**, and if premium is paid, you will be covered for up to 3 months following the date your leave of absence begins.

WHAT HAPPENS TO YOUR COVERAGE UNDER THIS POLICY WHILE YOU ARE ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

We will continue your coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your Employer approved your leave in writing.

Coverage will be continued until the end of the later of:

1. the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period required by applicable state law.

If your Employer's Human Resource policy doesn't provide for continuation of a plan for you during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

We will not:

- apply a new waiting period;
- apply a new pre-existing conditions exclusion; or
- require evidence of insurability.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment or if you are on a covered leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the later of when original proof of your claim was first required to have been given; or your claim was denied; or your benefits were terminated, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the material statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this. A copy of the statements will be provided to you or your beneficiary. These statements cannot be used to reduce or deny coverage if your coverage has been in force for at least two years.

However, if the Employer gives us information about you that is incorrect, we will:

- use the facts to determine if you have coverage under the plan according to the policy provisions and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness or injury**; and
- you have a 20% or more loss in your **indexed monthly earnings** due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**. Unum will treat your disability as continuous if your disability stops for 60 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the later of:

- 180 days; or
- the date your insured Short Term Disability payments end, if applicable.

You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$10,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

Your monthly payment may be reduced based on your disability earnings.

If, at any time after the elimination period, you are disabled for less than 1 month, we will send you 1/30 of your monthly payment for each day of disability and 1/30 of any additional benefits for each day of disability.

WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS?

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer, not including shift differential, in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan or flexible spending account. It does not include income received from commissions, bonuses, overtime pay or any other extra compensation or income received from sources other than your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LEAVE OF ABSENCE?

If you become disabled while you are on a covered leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly **disability earnings**, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 24 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 24 months of payments, while working, we will subtract 50% of your disability earnings from your monthly payment.

This is the amount Unum will pay you each month.

As part of your proof of disability earnings, we can require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings have fluctuated from month to month, Unum may determine your benefit eligibility based on the average of your disability earnings over the most recent 3 months.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
 - a workers' compensation law.
 - an occupational disease law.
 - any other **act** or **law** with similar intent.
2. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
 - state compulsory benefit **act** or **law**.
 - group plan sponsored by your Employer.
 - other group insurance plan.
 - **governmental retirement system**.
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
 - the United States Social Security Act.

- the Canada Pension **Plan**.
 - the Quebec Pension Plan.
 - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
- the United States Social Security Act.
 - the Canada Pension Plan.
 - the Quebec Pension Plan.
 - any similar plan or act.
5. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you:

- receive as disability payments under your Employer's **retirement plan**.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans
- **salary continuation** or **accumulated sick leave** plans

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum monthly payment is the greater of:

- \$100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<u>Age at Disability</u>	<u>Maximum Period of Payment</u>
Less than Age 62	To Social Security Normal Retirement Age
Age 62	60 months
Age 63	48 months
Age 64	42 months
Age 65	36 months
Age 66	30 months
Age 67	24 months
Age 68	18 months
Age 69 or older	12 months

<u>Year of Birth</u>	<u>Social Security Normal Retirement Age</u>
1937 or before	65 years
1938	65 years 2 months
1939	65 years 4 months
1940	65 years 6 months
1941	65 years 8 months
1942	65 years 10 months
1943-1954	66 years
1955	66 years 2 months
1956	66 years 4 months

1957	66 years 6 months
1958	66 years 8 months
1959	66 years 10 months
1960 and after	67 years

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a **part-time basis** and you do not;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis and you do not;
- if you are working and your monthly disability earnings exceed 80% of your indexed monthly earnings, the date your earnings exceed 80%;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?

The lifetime cumulative maximum benefit period for all disabilities due to **mental illness** is 24 months. Only 24 months of benefits will be paid even if the disabilities:

- are not continuous; and/or
- are not related.

However, Unum will send you payments beyond the 24 month period if you meet one of these conditions:

1. If you are confined to a **hospital or institution** at the end of the 24 month period, Unum will continue to send you payments during your confinement.

If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. If you are not confined to a hospital or institution but become confined for a period of at least 14 days within 90 days after the 24 month period for which you have received payments, Unum will send payments during the length of the confinement.

Under no circumstances will Unum pay beyond the maximum period of payment as indicated in the **BENEFITS AT A GLANCE** section of your policy.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer's disease; or

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME WITH THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

If you are covered under another group long term disability plan on the date of your recurrent disability and are entitled to payments under that plan, you will not be eligible for further payments from Unum.

LONG TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOU OR YOUR FAMILY IF YOU DIE OR ARE TERMINALLY ILL? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your **eligible survivor** a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your 3 month survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 months of your gross disability payment if:

- you have been diagnosed with a terminal illness or condition;
- your life expectancy has been reduced to less than 12 months; and
- you are receiving monthly payments.

Your right to exercise this option and receive payment is subject to the following:

- you must make this election in writing to Unum; and

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 month survivor benefit will be payable upon your death.

WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

- a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
- b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or

WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of \$1,000 per month.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

In addition, we will make monthly payments to you for 3 months following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which monthly payments would stop in accordance with this plan.

WHAT ADDITIONAL BENEFIT IS AVAILABLE FOR DEPENDENT CARE EXPENSES TO ENABLE YOU TO PARTICIPATE IN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

1. are incurring expenses to provide care for a child under the age of 15; and/or
2. start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.

If the policy or a plan is cancelled, the cancellation will not affect a payable claim.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly. Exhaustion of the claims and appeals procedures set forth below is required before any type of legal action may be brought with respect to the long term disability benefits provided under the Plan.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;

- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;

- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, the claims and appeals procedures must be completed before you begin any legal action regarding your long term disability claim.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No

one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).
