---

The unique IT infrastructure for complex management.

# VAZIANI X ACADEMY

---

Various specialist training programs, a producer center.

Instructors are global stars and recognized experts. The training is conducted in English. After completing the program – compliance certificates from all leading equipment manufacturers.

# ECONOMICS

Our goal is to create ideal conditions for synergy of all participants in content creation efforts, significantly reducing costs through new high-tech solutions, expanding capabilities and achieving high-quality end results with innovative technologies.

The IT infrastructure allows project isolation, enabling simultaneous shooting of several full-length films or series without loss of confidentiality.
