22 April 2026.

Dear Valued Stakeholder,

We are pleased to advise that Archityne Limited has submitted an application for CodeMark certification, which is presently under formal assessment.

Our team is working closely with Archityne Limited to support a thorough, timely, and efficient assessment process, ensuring all applicable requirements are addressed in accordance with the relevant certification framework.

Please note that the overall timeframe for certification is dependent upon the completion of the required technical evaluation and audit activities by the relevant certifying and regulatory authorities.

Yours sincerely,

Sam Guindi
Product Certification Manager
