Harvest Celebrations!

In this season we make space to celebrate the goodness of God that we see in the natural world. Our Harvest Festivals will be on Sun 27th Sept at St Gabriel's Stanbury (4pm), and on Sun 4th Oct at St Michael's Haworth (10:30am) and St James's Cross Roads (4pm - Assembly Bangers Singalong!). At each festival service we will have a collection of food (long life tins etc) to support our local food banks.

Generous Living

Through September we are taking some time to focus on Generous Living, and to reflect together on how this spiritual habit is part of our lives as individuals and churches as we follow the Jesus Way together.

You might like to use one of the leaflets we made (available in all our church buildings) to help you reflect on how you and your household live generously with your Time, Talents and Treasure.

Our generous living is a reflection of the amazing generosity of God, which we see in the Gospel and in Creation. In our Harvest Festivals this year we will be making space to give thanks for God's generosity, for the abundance of Creation, for the generous lives of those around us, and for the ways God enables us to live generously too.

Generous Living Discipleship Group

If you are curious about Christian faith and living, or want to explore what generous living looks like for you, then you might like to be part of this 7 week Discipleship Group. (Don't worry if you can't make every week!). Monday evenings 7:30-9pm for seven weeks, starting Mon 7th Sept. At the Rectory (78 Prince Street) - talk to Oli or Joanne Preston

We may also have an afternoon gathering following the same content - let us know if you would be interested in this.

Volunteering Opportunities

The **Friends of the Bronte's Church** are looking for new volunteers to support their shop and welcome team at St Michael's, Haworth (usually Wednesdays and Saturdays). Could you give a few hours a month?

Having our buildings open to the public is a really important part of our sharing and care for our local communities and visitors. Could you be part of our team who **open, close and clean our buildings**? Speak to your church warden to find out how you could be part of this.

Welcome and Hospitality is especially important at St Michael's, Haworth where we have A LOT of visitors all year round. We would love to strengthen our team of tour guides, event stewards, welcome team, and ideally to train some people for simple chaplaincy.

Check out our display boards in church to see more!

Giving and Generosity

Most of the budgeted spending that allows us to be present and active as a church community comes from regular giving from church members and supporters. Thank you to everyone who contributes to this! If you would like to find out more about giving, including regular giving through direct debit or volunteering opportunities, then please get in touch for a conversation.
