A DESIGN LED FIVE BEDROOM TOWNHOUSE IN PARSONS GREEN, CREATED FOR EFFORTLESS LONDON LIVING.

Tucked away in a peaceful Fulham neighbourhood, this home blends timeless style with everyday comfort. Expect light-filled rooms, carefully curated finishes, and space to unwind together with London's best cafés, parks, and transport links just moments away.

THE LIVING SPACES

At the heart of the home is a light-filled kitchen, dining, and living space designed for connection and ease. Refined finishes, modern appliances, and considered design details come together to create a calm yet functional environment. Soft tones, generous proportions, and natural light set the mood, a space that feels both elegant and comfortably lived in.

A dark wood dining table is set for a meal with six place settings. Each setting includes a white bowl, a white plate, a white napkin tied with a gold ring, and a clear wine glass. A woven placemat is under each setting. In the center of the table is a gold bowl filled with red apples. The table is surrounded by grey upholstered chairs.

A green sofa is positioned in the living area, facing the dining table. It has several patterned and solid-colored pillows. The sofa is located near a large window with white shutters.

A large window with white shutters is located on the left wall, providing a view of the outdoors. The window is partially covered by the green sofa.

A dark grey built-in unit is located against the back wall. It features a fireplace with a fire, a television, and open shelving. The shelves are decorated with various items, including books, a globe, and decorative objects.

A large framed artwork is on the wall to the right. It depicts two figures in a dark setting, possibly a couple in a romantic embrace, rendered in a high-contrast, black and white style.

CINEMA FONT

Designed as a dedicated space to unwind, the cinema room offers a relaxed setting for evenings in. Sink into comfortable seating, dim the lights, and enjoy a cinematic experience with a large screen and immersive sound. Thoughtful details and a calm, enclosed layout make it ideal for film nights, quiet downtime, or shared moments together, a space that feels indulgent yet effortlessly comfortable.

BEDROOMS & BATHROOMS

Each bedroom is curated with comfort in mind, crisp linens, warm textures, and a calm palette that invites you to slow down. The bathrooms are clean, modern, and beautifully finished, with a practical layout that works well for groups. It's the kind of home where mornings feel effortless and evenings feel settled.
