SAINT-TROPEZ

For a rejuvenating treatment and a sculpted silhouette,
and exceptional mental well-being.

THE AREV SPA WITH MAISON ST

An exclusive alliance between the prestigious Maison ST Parfum and AREV Saint-Tropez Hotel marks the opening of an unparalleled luxury spa, distinguished by its high-end and medical-grade equipment. Located within AREV Saint-Tropez Hotel, the Spa embodies the essence of Mediterranean luxury. Each treatment is enhanced by the olfactory expertise of Maison ST. A bespoke fragrance, created exclusively for AREV Hotel, will delight and captivate your senses.

Our experienced therapists will work closely with you to create a Haute Couture massage experience, selecting tailored techniques, organic plant-based oils, and a unique cosmetic line specially crafted with natural ingredients by Maison ST. The ultimate experience in relaxation. Our Maison ST Signature Treatments have been developed in partnership with World Spa Project.

A TAILOR-MADE EXPERIENCE

Create your own Maison ST signature using our prestigious fragrances, organic plantbased oils, or our brand's natural skincare line.

1. **Choose from our Massage Oils:**
Maison ST Baume Lumière, Carrot oil, Jojoba oil, or Camelina oil (the selection may vary to ensure a tailor-made wellness experience).
2. **Select your preferred fragrance from our four exclusive Maison ST perfumes:**
 - **N°7 TERRE D'AZUR**
The fig, generous and feminine, reveals the indulgence and refinement of this emblematic fruit of Provence, basking under the warm summer sun.
 - **N°8 TERRE D'AZUR**
A symphony of oud, pear, and coconut, inspired by the French Riviera, where marine notes blend with orange blossom and rose to create a sensory experience of rare sophistication.
 - **N°10 TERRE D'AZUR**
Floral notes awaken all your senses with delicate hints of almond and tuberose, blended with anise and peach.
 - **N°16 TERRE D'AZUR**
Immerse yourself in a captivating fragrance that blends the freshness of thyme and menthol with the warmth of eucalyptus and guaiac wood, creating an incomparable olfactory experience.
3. **Witness the blending of your composition before your eyes.**
4. **Enjoy a unique and personalized experience.**

THE MAISON ST SPA COLLECTION

This range of treatments has been meticulously crafted using raw materials sourced from the Mediterranean Sea and Brittany, including mineral-rich seawater, nutrient-packed seaweeds, and marine sand for gentle exfoliation.

Our products contain a precious blend of marine ingredients, such as:

- Marine Collagen, renowned for its anti-wrinkle properties and its firming effect.
- Hyaluronic Acid, which provides deep hydration, enhanced suppleness, and restored firmness.
- Sea Fennel, to reveal the skin's natural radiance and promote cellular renewal.
- Brown Seaweed, renowned for their numerous benefits, including hydrating, purifying, remineralizing, and antioxidant properties, supporting both skin health and overall well-being.

Maison ST products are crafted in partnership with a French laboratory specializing in cosmetology.

Natural ingredients, immediate results, and instant comfort define the Maison ST Spa Collection.

Each formula is meticulously developed with natural marine actives, ensuring the quality and effectiveness of our bespoke products.

All our products are made in France with an eco-conscious approach, respecting both people and the environment.

Maison ST – Richness of the Sea embodies a collection of exclusive rituals from the French Riviera.

FOR OPTIMAL PERFORMANCE OF OUR TECHNOLOGIES

NORMATECH BOOTS *

Pressotherapy for perfect stimulation of your blood circulation

The new NORMATEC compression boots, now under Hyperice, represent the third generation of pressotherapy. The result of accumulated expertise, they are designed to optimize your athletic performance.

NORMATEC 3 accelerates recovery through its patented pulse technology, stimulating blood flow in the legs.

This pulsed action targets muscle toxins, helping to reduce post-workout soreness and discomfort.

LUCIBEL.LE * PHOTOBIMODULATION MASK, OVE III designed by Olivier Lapidus

This treatment reactivates your cellular regeneration, allowing your skin to regain elasticity and firmness. The depth of wrinkles is visibly reduced, and the facial contour is reshaped. Clinical results:

- -70% sebum level
- +24% skin smoothing
- -32% pore diameter
- -38% wrinkle depth

LUCIBEL.LE Light Therapy *

LUCIBEL.LE light therapy treatments of 12 minutes can be repeated twice a week, spaced 72 hours apart, or used as occasional sessions. 20-minute treatments provide an immediate effect but should be repeated only once a week. We recommend a protocol of 4–8–12 sessions, followed by a 2-month break before resuming. For enhanced results, a facial treatment before your session is suggested. Feel free to consult our experts for personalized advice.

REVEL'AQUA *

An Innovation in Facial Hydrodermabrasion

Hydrodermabrasion is the latest and most effective method to remove dead skin cells. With less pain and irritation than traditional microdermabrasion, this cutting-edge technology uses water and oxygen to effortlessly exfoliate the skin while delivering concentrated active ingredients tailored to your client's needs.

Hydrating ingredients penetrate deeply, leaving the skin more beautiful, radiant, and rejuvenated. Revel'Aqua 2 treats and prevents a wide range of skin concerns on both the face and body.

- Enlarged pores and blackheads
- Oily and congested skin
- Fine lines and expression wrinkles
- Loss of firmness
- Roughness, keratosis
- Dull, uneven complexion

SOFT FX SKIN ANALYZER

- The professional SOFT FX skin analyzer provides accurate, comprehensive, and in-depth readings in just a few minutes, allowing treatments to be tailored to your individual needs. Whether assessing the skin of the face, hands, neck and décolleté, legs, or hair, this innovative device delivers a quick and objective professional analysis.
- A personalized, tailor-made experience.
- Born from French excellence, Contour Paris technologies are developed and manufactured locally in Fréjus, France, ensuring unmatched reliability and exceptional results.
