AREV

ST. TROPEZ

FESTIVE SEASON, BUT MAKE IT AREV

A VERY AREV HOLIDAY

Christmas has arrived in Saint-Tropez.
Naturally, we're doing things a little differently.

More Champagne. Longer lunches.
Later nights. Very good food.
Questionable bedtimes.

And absolutely no interest in behaving
because Santa is one of us and he is not
watching!

Come for Christmas. Stay for New Year.
Lose track of the days somewhere in between.

'Tis the season to live, love & misbehave!

CHRISTMAS, CHECKED IN.

23-27 December

Stay for at least two nights.
We suspect you'll wish you'd stayed longer.

Breakfast every morning at The Strand.

A little something waiting when you arrive.

Christmas Day brunch with Champagne & live music.

A 30-minute massage for each of you.

Heated pools, spa & padel whenever the mood takes you.

And because Christmas is for being generous,
we'll confirm your upgrade at the time of booking.

CHRISTMAS PACKAGE – From €1650

CHRISTMAS AREV STYLE

CHRISTMAS EVE MAGIC. ZERO CHORES.

Thursday 24th December

You could spend Christmas Eve cooking.

You could also be at The Strand eating
truffle, scallops, caviar and wild mushrooms
while somebody else worries
about the washing-up.

We know which one we'd choose.

On 24 December, expect generous plates for sharing,
serious ingredients, glasses kept reassuringly
full and precisely zero kitchen duties.

Come hungry!

PRESENTS OPEN.
CHAMPAGNE OPEN.

Friday 25th December

By lunchtime on Christmas Day, the wrapping paper is everywhere and breakfast was hours ago.

Perfect timing.

Christmas Brunch at The Strand arrives sharing-style, with festive favourites, Champagne, seasonal cocktails and a dessert station that deserves its own visit.

Little AREV guests can decorate cookies, drink hot chocolate, listen to festive stories, meet Santa and leave with a surprise.

The grown-ups can have another glass.
Santa included!

CHRISTMAS BRUNCH
Adults – €135 per person, excluding drinks
Children (3 to 11 years old) – €65

WHAT DAY IS IT?

TEA O'CLOCK.
THEN WHO KNOWS...

Why choose between afternoon tea and dinner
when you can simply stay in our domes?

Start with finger sandwiches, warm scones,
Christmas pastries and a hot chocolate
with absolutely no intention of being sensible.

Then, as Saint-Tropez gets dark and the lights come on,
stay exactly where you are. Order dinner.
Open something good. Invite more friends.

Small domes are made for two or a chosen few.
Larger domes fit up to eight - and are particularly useful
for families or colleagues who actually like each other.

Available throughout December for afternoon tea,
dinner, private parties and Christmas gatherings
that may run a little later than planned.

AFTERNOON TEA – €45

CHRISTMAS CHEER, REINDEERS CAN WAIT...

Throughout December

Christmas at AREV comes with a generous pour.

At Q's Bar, cocktails get festive, coffee gets dressed up, Matcha joins the party and the Mulled Wine comes two ways: very good, or very AREV.

Hungry?

The Strand is serving winter flavours, seasonal favourites and the sort of plates that make "I'll just have a little" one of December's least believable sentences.

Come for one. Stay for another.

It's Christmas. Nobody's counting.

THE GRAND CRU CELLAR DINNER

Throughout December

There are dinners. And then there are dinners you disappear underground for.

Welcome to the AREV cellar.

Up to eight guests. A succession of exceptional bottles. And a menu designed around what you really came here for: the wine and winter truffles.

From iconic Grands Crus to rare vintages, each bottle sets the direction and each plate follows its lead.

Part dinner. Part discovery.
Part very good reason not to make plans afterwards.

GRAND CRU CELLAR DINNER
€750 per person
including a premium wine pairing
and a 5-course menu

ONE LAST NIGHT. MAKE IT A GOOD ONE!

3, 2, 1....

NEW YEAR'S EVE PACKAGE

1927...
OR 2027?

NEW YEAR'S EVE AT ZELLI'S CLUB

Thursday 31 December

Paris. The 1920s. After dark.
There was one address everyone wanted to know. ***Zelli's.***

Artists, aristocrats, night owls and beautiful troublemakers
all found their way there. Champagne flowed.
Music played. Nobody sensible asked what time it was.

On New Year's Eve, Zelli's comes to Saint-Tropez.

For one night, AREV becomes the club.

Dinner becomes music. Music becomes dancing.
Corks fly. Midnight happens. Nobody goes home.
Dress to dazzle.

NEW YEAR'S EVE DINNER
Adults – €295 per person, excluding drinks
Children (3 to 11 years old) – €145

RESOLUTIONS CAN WAIT UNTIL TOMORROW...

AFTER-PARTY PARTY

Friday 1st January

There are people who begin January with a detox juice.

This is not for them.

Yesterday was a lot. We've made brunch.

Comfort food, Champagne, brunch favourites and
a Green Bloody Mary & Mimosa Station,
ready to assist with whatever happened the night before.

Resolutions can wait until the 2nd.
Or next Monday...

NEW YEAR BRUNCH
Adults – €160 per person, excluding drinks
Children (3 to 11 years old) – €80

KEEP IT.
GIFT IT.
WE WON'T JUDGE

FOR THOSE OFF THE NAUGHTY LIST

The nice list is overrated.

Our ***Christmas Logs*** return in two dangerously good flavours:
Intense Hazelnut with Caramel &
Gianduja, and Vanilla, Tatin Apple & Speculoos.

Buy one for the table.
Buy another one nobody needs to know about.

Feeling generous?
The AREV Gift Box comes filled with a Christmas Log,
cookies, chocolates, homemade foie gras,
Champagne and local honey.

And for the impossible-to-buy-for? Give them AREV.

A night away. Dinner at The Strand. An afternoon in the Spa.
AREV Gift Vouchers let them decide.

Much better than socks.
