Global NEWS

**Parents for Bilingual Education New Brunswick
is thrilled to announce that we
now have spots available for the
2026-2027 Free Tutoring Program.**

**We are proud to offer this program in partnership with
Apprendre Franco-fun!**

REGISTER NOW

Who is Eligible?

This program is available to all students from Grades 1 to 12 registered in New Brunswick's Anglophone public school system, regardless of French program (French Immersion, PIF, English Pathway). Program spaces will be distributed equitably among school districts.

How Does it Work?

Each free tutoring spot consists of five individual online tutoring sessions, offered by Apprendre Franco-fun! Parents will receive an email from Apprendre Franco-Fun and should reply as soon as possible to schedule an initial free assessment of the student. Then, the family can schedule their five free 25-minute tutorials.

Who Gets What?

Once notified of their acceptance, families have two weeks to make arrangements with Apprendre Franco-Fun (emailing to schedule an initial assessment). If no arrangements have been made, we will offer their spot to the next person on the waitlist. Families are welcome to reapply.

When parents apply to any of our programs, they receive an automatic free Parents for Bilingual Education New Brunswick membership. Being a membership organization helps us to advocate for more French second language training in New Brunswick.

What if Families Want More Tutoring?

Good news! Apprendre Franco-fun! is offering a discount to any families wishing to continue their tutoring service after they have used their five free tutoring sessions. Parents can purchase more sessions at a discount. We hope this discount will make tutoring accessible to more families.
