

## Dental Training and Treatment Success

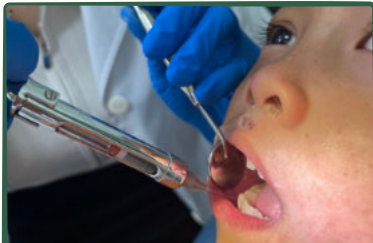

On March 12, 2026, we successfully conducted a training on tooth decay prevention. We were honored to have Marcus Duffin join us via Zoom to guide participants through safety procedures, dosage protocols, and the benefits of NoDK supplies and equipment, which were generously donated for children in Vietnam.

On March 14, children received their first treatments using the NoDK prevention method. Dr. Ha Vi and her assistant, Ms. Hong, treated the initial group of children with the most urgent dental needs at the Village of Hope. It was inspiring to witness how simple and effective this procedure is.

This initiative was made possible through a generous \$10,000 donation of dental equipment and supplies for our clinic, which opened in 2024. We extend our heartfelt thanks to Dr. Ralph Duffin, Steve Duffin, and Marcus Duffin—three generations of the Duffin family—for their continued commitment to improving oral health for children around the world, including here in Vietnam.

## Hosting Our Visiting Delegation

We were honored to host a wonderful group of visitors from the United States, led by Sheryl Shafer and her husband, Brian DeToy, from Boulder, Colorado. Several members of the group previously supported the construction of our dental clinic in 2023, and this year, they continued their generosity with additional contributions during their visit.

Thank you, Sheryl and Brian, for your compassion and ongoing support of children in Vietnam.

March 12, 2026, Mrs. Hayslip hosted a group of guests from the USA. Thank you Mr. Brian M. DeToy and Mrs. Sheryl Shaffer for organizing the visit and generous donation.

## Community Meals and Shared Joy

The children, staff, and volunteers at the Village of Hope enjoyed two memorable days of fellowship, sharing three sponsored meals.

- On March 12, the children and staff enjoyed their favorite local dish, Mỳ Quảng, followed by a special dinner of pizza and pasta.
- On March 14, dinner included KFC, chicken sandwiches, and spaghetti.

These meals were generously sponsored by Stanton Brunner, Dr. Cynthia Diep Phong and her husband, and Amy Le of Quill Hawk Publishing with her family.

We extend our sincere thanks to all our sponsors for not only providing these meals but also for sharing joyful moments with the children.

*March 14, 2026 Yummy!!! Thank you Amy M. Le & family.*

*March 12, 2026 The best pizza in Da Nang!!! Thanks, Mrs. Cynthia Diep Phong and husband.*

*Thank you Mr. Stanton Brunner for sponsoring a luncheon.*

## Looking Ahead

On behalf of the children and everyone at the Village of Hope, we are deeply grateful for your continued kindness and support.

As we move forward, Global Village Foundation is committed to advancing No More Tooth Decay for children at the Village of Hope, with plans to expand this care to more children across Da Nang.

Ms. Ha Vi will continue follow-up care for the first group of treated children and will report outcomes to our dental committee soon.

We encourage you to share our work with your family and friends. Thank you for being part of this journey.

*Everyone, thank you for the outstanding volunteer work.*

*Le Ly and Keith Ehman are helping the children at the Village of Hope learning English. If you want to volunteer please let us know.*

*Serving 200 patients at the oncology hospital in Danang.*
