Chris Hughes can be contacted on 257 5801 Thank you to everyone for looking after our Year 6 children last week as they did their SATs tests. All our children and staff made sure the Year 6 children had everything they needed for the day. It was fantastic to watch all our Year 6 children lead the whole school in a whole school conga around the school field after their last paper on Thursday morning!

Year 5 have won the attendance star trophy with a perfect score of 100% last week! Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance](#) and [Term Dates](#) pages. If your child is feeling unwell and you are unsure about them being in school, the NHS have a page of guidance on the subject, which you can find by clicking on this link: [NHS Is My Child Too Ill For School?](#)

Thank you everyone for supporting our Year 6 children last week while they did their SATs tests. Our children and staff work hard at all times, and they are always well prepared for these tests when they arrive. SATs tests do not define who they are as young people or who we are as a school; they do not measure the creativity, compassion, resilience, or humanity of the amazing children, staff and families of St. Cuthbert's. Year 6 prepared for each day with breakfast together before school, thank you to our brilliant, dedicated staff team for preparing this and making sure everyone was looked after and to the team in the kitchen for the cooked breakfast on Thursday morning. As an end of SATs treat, Year 6 went to Shiremoor Adventure Playground and had a great time at one of our favourite places. The team at Shiremoor Adventure Playground share the same vision for children as us, and the sign on their wall, from Article 31 of the Rights Of The Child, says it all: *all children have the right to relax, play and enjoy a range of activities.*

It was great to see our school cook, Ange Brown, at school to see everyone last week. Ange has been off work recovering from a recent illness, and we are all looking forward to seeing her back at St. Cuthbert's as soon as she is ready- she is making a fantastic recovery. We've had some agency staff working in the kitchen, and they are doing their very best to keep feeding all our children, but reaching the standards our Ange sets is a very tough challenge!

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 Preparations are well underway for our May Procession as classes begin to create their banners representing who Mother Mary is for us all. We will be celebrating our May Procession Mass with Fr. Chris and the parish at 9.30am on Wednesday, 20th May, before carrying our statue of Mary, covered in flowers, through the streets of North Shields and back to school. We would love you all to join us for this very special celebration. We would also love every child to bring a flower to school, which they can add to our statue of Mary that we carry through the streets and then keep at school after our procession. Children are also invited to come dressed for the occasion, wearing anything with flowers and bright colours. St. Cuthbert's will also be at the Whitley Bay Carnival on Saturday, 23rd May, with rehearsals taking place in school tomorrow, Monday 18th May. Our Mini Vinnies helped get our costumes ready for the carnival by creating a school full of beautiful, shimmering and shining fish. Your support in everything we do makes what we do possible. At a time when more and more community events are no longer happening it is really important that St. Cuthbert's community remains a big part of North Shields and the wider area and that we are represented in a strong and positive way. We have an amazing and strong community where everyone belongs and plays their part. We know that people need people.

Look with kindness and you will always find wonder

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Can we remind all families that children need to wear sensible shoes or trainers to school every day. We have a very active curriculum, and the appropriate footwear helps children make the most of everything we do. We have an increasing number of children wearing Crocs and crocs-style sandals to school, and they are not safe or suitable footwear for school. The only time any child can wear crocs or sandals is if a family has had a chat with Mrs Cottiss or me and there is a good, genuine reason. We are very understanding with our approach to uniforms, and we always support families. We also have our uniform rails in school and they have lots of items of uniform which families can have free of charge. Our uniform rails are a brilliant example of how St. Cuthbert's families support each other and we encourage everyone to make use of what is there. All children should wear a full uniform every day and our PE uniform on their PE day. If your child has outdoor learning or is attending campfire club, then they need to wear clothes that are suitable for climbing, playing and getting dirty.

Can we remind all families that all children should wear a full school uniform every day unless they are doing PE or outdoor learning. On PE days, children should be wearing the school PE kit, and on outdoor learning days children should be wearing old clothes which will get dirty. **Children are not permitted to wear jewellery in school apart from a small stud in their ear and a watch. Children cannot wear earrings in school as these pose a very real health and safety risk. When children play and take part in sports, earrings can get caught and cause cuts. Smart watches of any kind are not allowed in school as these are a safeguarding risk. They can usually be used to take photos, record other people and they are a big distraction for children. Children cannot wear any makeup in school or have false nails. We have an increasing number of children across the whole school wearing makeup; they should not be wearing any.** We have an increasing number of children in school with long and false nails. These aren't suitable for school and also get in the way of some children being able to access the active and creative curriculum we have at St. Cuthbert's. You can find out more about our uniform policy on our school website, <https://www.stcuthbertsprimaryschool.com/parents/school-uniform> you will also find our school uniform policy there. We always support families with uniform and we have our uniform rails in school, which everyone can use free of charge. The uniform rails are incredibly popular across school, and we always welcome your donations, which are added to our stock. If you have any questions or would like any support around school uniforms, please speak to Mrs Cottiss or me, and we will do everything we can to help. Working together and with a consistent approach is always best and helps all our children understand why we have the rules that we have.

Ange and our kitchen staff do an amazing job of cooking for everyone every day. We have a meal ordering system in school that all families have access to and that all families are asked to use. The Appetite system allows you to order meals up to two weeks in advance. This helps children know what they are having for lunch each day and it also allows our kitchen staff to plan and prepare the correct number of meals every day. If a family have not ordered a meal for a child then they are unlikely to get what they want for lunch. Ange and her team do their very best to make sure all children get what they want but they cannot do this if meals have not been pre-ordered. This

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 means children don't all get what they would like. It isn't a child's fault if a meal hasn't been ordered, and it is the child who misses out. If you have any issues with the Appetite App or would like to talk to us in school about using the app and school meals, please let us know and we will do all we can to help you.

Can I also remind everyone that we have a policy of no nuts in school. If your child has a packed lunch, can you please make sure they do not have any nuts or any food that contains nuts. We have children in school with severe nut allergies, and just having nuts near them is a big risk. Children with these allergies do not need to touch or eat nuts to have a reaction. The most common source of nuts in packed lunches is usually products with Nutella in them, including spreads and snack bars. I know you will help us make sure all our children are safe and if we will continue to send any food containing nuts home with children if they are mistakenly in their lunch.

Can we remind everyone that both school gates and the school doors are locked at 8.55 am.

This means that children should be in school before then, and any adults who have brought them to school should be off-site by 8.55am to allow the gates to be locked on time. Mr Smart, Mr Capper, Mrs Cottiss, and I are on the school yard and at the gates from before 8.30am, and once we have locked the gates, it takes time for us to secure the school site, get around school and be ready for the rest of our working school day. We have all been late for meetings with families, colleagues from other schools and organisations and other visitors due to people needing an extra few minutes past the 8.55am lock-up time. It is also incredibly important that your children are in the class on time, know what will be happening during the rest of the day and have had time to settle in to their learning. As adults, we all know how it feels to be late when meeting up with people at social events; that feeling we have is the same as the feeling children have when they are late. Thank you to everyone who makes sure children are at school on time. Everyone can have the occasional time when they are running late, and this is not a problem. If you are in this position, please make your way to the school office entrance, not the school gate.

Thank you for supporting us in using book bags and not large backpacks at school and for making sure children have sensibly sized water bottles. We are delighted that our classes are almost all full but this does reduce the space we have in shared areas. We do not have lots of space, and therefore, we are asking that children just bring a book bag to school each day. If they have a packed lunch then a small lunch bag is good as well. We do not have space for backpacks and other large bags that many children bring to school.

Lots of our children have them and they have very little in them but they take up a lot of space and end up lying on floors in corridors. They actually take up so much space that we have identified them as a fire hazard, as they are blocking corridors because they can't hang on pegs. Can we also ask that children have standard-sized water bottles? We have very limited sink space, and 30 bottles take up quite a lot of space. If children bring large bottles,

Chris Hughes can be contacted on 257 5801 they are stopping other children from being able to keep their bottles at the sink. I know these things might seem trivial on their own, but multiply each thing by 30 and you can see the problem. I hope that everyone can help with this request, we don't want to get to the situation where we have to ask people to take bags and bottles home. You don't need to buy branded book bags; any green book bag will be great. Book bags are brilliant because they help keep the books clean, dry and less likely to get torn or curled or damaged to the point where we have to ask for a replacement book.

Our SEMH team continue to meet and work with Connect North Tyneside. The Connect team have begun work with our Year 5 and 6 children which will go on for six weeks. Our SEMH team is made up of Ms Shepherd as SENDco, Mr Capper who has a wealth of experience leading support and inclusion at a large local high school, Mrs Cottiss, and Mr Dillon, who are Senior Mental Health Leads and Mrs Lavery, who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, aren't? If you need to change arrangements at the last minute, please phone the school office and let us know. This helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often, we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the

We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. What Parents & Educators Need to Know about ONLINE GROOMING

WHAT ARE THE RISKS?

Online grooming is when someone builds a relationship with a child or young person online to gain their trust for the purpose of sexual abuse, exploitation, radicalisation, or criminal activity – such as county lines or financial scams. According to the NSPCC, police in the UK recorded over 7,000 offences involving sexual communication with a child in a single year – an increase of 89% since 2017/18.

STRANGERS USING FAKE IDENTITIES

Groomers often pass as children or teenagers online to build trust. They may create convincing fake profiles, share photos stolen from real people, or mimic the interests of the child. By pretending to be someone their age, they make conversations feel safe and relatable. Over time, they may ask for personal details, photos, or suggest meeting in person, exposing children to significant emotional and physical harm.

EXPLOITATION THROUGH GIFTS AND FLATTERY

To gain trust quickly, groomers often send gifts, gaming credits, or money. Alongside material offerings, they use excessive compliments, affection, and attention to create emotional dependency. These tactics make children feel valued and special, lowering their defences. Once trust is secured, groomers may escalate their requests, often asking for photos or private conversations, making the child feel pressured or indebted to continue.

GROUP CHATS AS HIDDEN PATHWAYS

Unmonitored group chats on platforms like WhatsApp or Discord provide a cover for groomers. They can watch how children interact, identify those who seem vulnerable, and then move conversations into private messaging. This transition makes detection difficult for trusted adults. The seemingly harmless group setting often masks the presence of predators, giving children a false sense of security.

THE RISE OF SEXTORTION

Sextortion involves pressuring children into sharing explicit content, then blackmailing them for more. Offenders may claim to have hacked a child's device, threaten to share images with friends or family, or demand money. Many victims remain silent out of fear and shame. This growing crime is particularly dangerous because children often feel trapped, believing there's no safe way to escape the situation.

GAMING PLATFORMS AS GROOMING GATEWAYS

Games like Roblox, Fortnite, or Call of Duty, which include live chat features, are frequent targets for groomers. Conversations often begin casually during gameplay and can become manipulative over time. Groomers may offer in-game gifts, credits, or exclusive add-ons to build rapport. Children using headsets or private chat features are especially at risk, as conversations are harder for adults to monitor.

CRIMINAL & RADICALISATION RISKS

Grooming is not always sexual. Some offenders manipulate children into criminal activities such as drug running or online fraud. Others attempt to radicalise young people with extreme ideologies. Groomers often use fear, money, shame, or promises of belonging to control their victims. These forms of exploitation can be just as harmful as sexual grooming, and often leave lasting psychological and social consequences.

Advice for Parents & Educators

KEEP CONVERSATIONS REGULAR

Rather than having one "big talk" about online safety, weave conversations into everyday life. Ask questions about children's online friendships and interests. Share real-life examples to make discussions relatable and encourage honesty instead of secrecy. When children feel comfortable discussing their digital lives, they are far more likely to share concerns or admit when something feels wrong, reducing the chance of risky interactions going unnoticed.

CREATE A "TELL ME" CULTURE

Children often keep silent because they fear being punished or losing access to their devices. Reassure them that coming forward with concerns won't get them into trouble. Emphasise that you are there to help, not judge. Creating a safe, open environment encourages children to speak up if something feels wrong, and helps to ensure they don't suffer in silence when facing potential grooming risks.

UNDERSTAND THE PLATFORMS CHILDREN USE

Take time to learn about the apps, games, and social platforms children are on. Familiarise yourself with privacy settings, parental controls, and group chat features. Use resources like The National College guides or conduct quick searches to stay updated. By understanding how these platforms operate, you'll be better equipped to set boundaries, guide safe use, and notice any unusual or concerning online behaviour early.

STAY ALERT TO WARNING SIGNS

Be attentive to both behavioural and digital red flags. Sudden secrecy, mood swings, or new online contacts may signal a problem. Watch for unexplained gifts, new social media profiles, or changes in sleep patterns. Increased anxiety or reluctance to attend school can also be indicators. Regularly checking in and showing interest in those whom they communicate with online help prevent small issues from escalating into serious risks.

Staffordshire Police is dedicated to keeping people safe and tackling crime across both the physical and digital world.
