#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

It has been a brilliant, active, fun-filled week at St. Cuthbert's. Everything that happened throughout the week was made even better because of the magnificent community we have and the teamwork from everyone, including our team of brilliant students from St. Thomas More. We have lots more happening during the rest of this school year, and we'd love you to join us as much as you can.

Year 1 have won the attendance star trophy with a score of 96.2% last week! Can we

remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance](#) and [Term Dates](#) pages. If your child is feeling unwell and you are unsure about them being in school, the NHS have a page of guidance on the subject, which you can find by clicking on this link: [NHS Is My Child Too Ill For School?](#)

Class	%
Reception	88..7
Year 1 🏆	94.8
Year 2	97.3
Year 3	88.9
Year 4	92
Year 5	97
Year 6	94
Whole school	93.2

Thank you for your fantastic continued support and for making everything we do possible. Thank you once again for giving up your time to support us with trips, for supporting our children and staff at Sports Day and for allowing us the opportunity to take your children to Shiremore Adventure Playground this week. Thank you also to our St. Thomas More students who have joined us for their work experience week. We are always delighted to welcome back our past St. Cuthbert's pupils and their friends. The number of them who come back to us every year is further proof that our children never totally leave us, they are always St. Cuthbert's!

We are all very excited about our big summer dance extravaganza at The Saville Exchange on Tuesday 7th July. Ticket sales have been fantastic for our *Library of Dreams* show, and we know you are going to absolutely love the show. We would love you to play a full part in the show as you always do. The children love hearing your cheers, applause and encouragement and we have a little extra for you all to join in with near the end of the show!

We have lots of random pieces of school uniform in school and it has remained unclaimed for a long time. We will leave uniforms and other items out on the playground tables next Thursday and Friday and anything that remains unclaimed by Friday after school will be donated to charity, added to our uniform rail or thrown out. We have a very busy end of school year full of brilliant things happening and it would be great to have everything cleared away.

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. At St. Cuthbert's, we believe that the most powerful learning experiences happen beyond the four walls of the classroom. Outdoor learning provides children with opportunities to explore, collaborate, problem-solve and discover the world around them in meaningful and memorable ways. Whether investigating nature, taking part in creative projects, engaging in physical activity or working together on challenges, our children develop confidence, resilience and a lifelong love of learning. Our mission is to be a community where we "learn, achieve, enjoy and succeed together with Jesus at the centre of everything we do." Learning outdoors brings this mission to life every day, allowing children to learn through curiosity, teamwork and shared experiences. It gives them the freedom to ask questions, take risks, be imaginative and deepen their understanding of the world while supporting their wellbeing and happiness. Collaboration is at the heart of everything we do at St. Cuthbert's. When children work together outdoors, they learn to listen, communicate, support one another and celebrate each other's successes. These experiences help to nurture the values of compassion, dignity, tolerance and peace that are central to our school community. We are especially proud that our school has recently been awarded School of Sanctuary status. This recognition reflects our commitment to creating a welcoming, inclusive and safe environment where every child feels valued, respected and able to flourish. Our outdoor spaces provide opportunities for all children to belong, connect and learn together, regardless of their background or experiences. This commitment also reflects the principles of the UN Convention on the Rights of the Child, which reminds us that every child has the right to play, to learn, to express their views and to develop their talents. Outdoor learning helps us put these rights into practice each day, ensuring that children's voices, wellbeing and development remain at the centre of school life. Inspired by Pope Francis' vision in *Fratelli Tutti* and Pope Leo's *Magnifica Humanitas*, and guided by the message of *Compassion Matters*, we strive to build a community where relationships, kindness and care for others shape everything we do. Through outdoor learning, exploration and play, our children grow not only as learners, but as compassionate young people ready to make a positive difference in the world. At St. Cuthbert's, compassion truly matters – and together, we will continue to make a difference. At St. Cuthbert's, we know that people really do need people.

Look with kindness and you will always find wonder

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Can we remind all families that children need to wear sensible shoes or trainers to school every day. We have a very active curriculum, and the appropriate footwear helps children make the most of everything we do. We have an increasing number of children wearing Crocs and crocs-style sandals to school, and they are not safe or suitable footwear for school. The only time any child can wear Crocs or sandals is if a family has had a chat with Mrs Cottiss or me and there is a good, genuine reason. We are very understanding with our approach to uniforms, and we always support families. We also have our uniform rails in school and they have lots of items of uniform which families can have free of charge. Our uniform rails are a brilliant example of how St. Cuthbert's families support each other and we encourage everyone to make use of what is there. All children should wear a full uniform every day and our PE uniform on their PE day. If your child has outdoor learning or is attending campfire club, then they need to wear clothes that are suitable for climbing, playing and getting dirty.

Can we remind all families that all children should wear a full school uniform every day unless they are doing PE or outdoor learning. On PE days, children should be wearing the school PE kit, and on outdoor learning days children should be wearing old clothes which will get dirty. **Children are not permitted to wear jewellery in school apart from a small stud in their ear and a watch. Children cannot wear earrings in school as these pose a very real health and safety risk. When children play and take part in sports, earrings can get caught and cause cuts. Smart watches of any kind are not allowed in school as these are a safeguarding risk. They can usually be used to take photos, record other people and they are a big distraction for children. Children cannot wear any makeup in school or have false nails. We have an increasing number of children across the whole school wearing makeup; they should not be wearing any.** We have an increasing number of children in school with long and false nails. These aren't suitable for school and also get in the way of some children being able to access the active and creative curriculum we have at St. Cuthbert's. You can find out more about our uniform policy on our school website, <https://www.stcuthbertsprimaryschool.com/parents/school-uniform> you will also find our school uniform policy there. We always support families with uniform and we have our uniform rails in school, which everyone can use free of charge. The uniform rails are incredibly popular across school, and we always welcome your donations, which are added to our stock. If you have any questions or would like any support around school uniforms, please speak to Mrs Cottiss or me, and we will do everything we can to help. Working together and with a consistent approach is always best and helps all our children understand why we have the rules that we have.

Ange and our kitchen staff do an amazing job of cooking for everyone every day. We have a meal ordering system in school that all families have access to and that all families are asked to use. The Appetite system allows you to order meals up to two weeks in advance. This helps children know what they are having for lunch each day and it also allows our kitchen staff to plan and prepare the correct number of meals every day. If a family have not ordered a meal for a child then they are unlikely to get what they want for lunch. Ange and her team do their very best to make sure all children get what they want but they cannot do this if meals have not been pre-ordered. This

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 means children don't all get what they would like. It isn't a child's fault if a meal hasn't been ordered, and it is the child who misses out. If you have any issues with the Appetite App or would like to talk to us in school about using the app and school meals, please let us know and we will do all we can to help you.

Can I also remind everyone that we have a policy of no nuts in school. If your child has a packed lunch, can you please make sure they do not have any nuts or any food that contains nuts. We have children in school with severe nut allergies, and just having nuts near them is a big risk. Children with these allergies do not need to touch or eat nuts to have a reaction. The most common source of nuts in packed lunches is usually products with Nutella in them, including spreads and snack bars. I know you will help us make sure all our children are safe and if we will continue to send any food containing nuts home with children if they are mistakenly in their lunch.

Can we remind everyone that both school gates and the school doors are locked at 8.55 am.

This means that children should be in school before then, and any adults who have brought them to school should be off-site by 8.55am to allow the gates to be locked on time. Mr Smart, Mr Capper, Mrs Cottiss, and I are on the school yard and at the gates from before 8.30am, and once we have locked the gates, it takes time for us to secure the school site, get around school and be ready for the rest of our working school day. We have all been late for meetings with families, colleagues from other schools and organisations and other visitors due to people needing an extra few minutes past the 8.55am lock-up time. It is also incredibly important that your children are in the class on time, know what will be happening during the rest of the day and have had time to settle in to their learning. As adults, we all know how it feels to be late when meeting up with people at social events; that feeling we have is the same as the feeling children have when they are late. Thank you to everyone who makes sure children are at school on time. Everyone can have the occasional time when they are running late, and this is not a problem. If you are in this position, please make your way to the school office entrance, not the school gate.

Thank you for supporting us in using book bags and not large backpacks at school and for making sure children have sensibly sized water bottles. We are delighted that our classes are almost all full but this does reduce the space we have in shared areas. We do not have lots of space, and therefore, we are asking that children just bring a book bag to school each day. If they have a packed lunch then a small lunch bag is good as well. We do not have space for backpacks and other large bags that many children bring to school.

Lots of our children have them and they have very little in them but they take up a lot of space and end up lying on floors in corridors. They actually take up so much space that we have identified them as a fire hazard, as they are blocking corridors because they can't hang on pegs. Can we also ask that children have standard-sized water bottles? We have very limited sink space, and 30 bottles take up quite a lot of space. If children bring large bottles, they are stopping other children from being able to keep their bottles at the sink. I know

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 these things might seem trivial on their own, but multiply each thing by 30 and you can see the problem. I hope that everyone can help with this request, we don't want to get to the situation where we have to ask people to take bags and bottles home. You don't need to buy branded book bags; any green book bag will be great. Book bags are brilliant because they help keep the books clean, dry and less likely to get torn or curled or damaged to the point where we have to ask for a replacement book.

Our SEMH team continue to meet and work with Connect North Tyneside. The Connect team have begun work with our Year 5 and 6 children which will go on for six weeks. Our SEMH team is made up of Ms Shepherd as SENDco, Mr Capper who has a wealth of experience leading support and inclusion at a large local high school, Mrs Cottiss, and Mr Dillon, who are Senior Mental Health Leads and Mrs Lavery, who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, aren't? If you need to change arrangements at the last minute, please phone the school office and let us know. This helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often, we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell

Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who has been using Tapestry, keepingintouch@stcuthberts.email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available.

As highlighted in the past, we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions), and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- **Email keepingintouch@stcuthberts.email** You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school or to let us know your child will be picked up early for an appointment. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- **Phone 0191 691 9876** and arrange an agreed-upon time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsprimaryschool.com/key-information/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out.

Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St.

Sunday 5th July 2026 www.stcuthbertsprimaryschool.com www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 Cuthbert's, please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Can we ask that all items of children's uniform have their name written clearly on the label please. We had an incredible amount of uniform and other items of clothing left behind at school before the summer, and that was after weeks of having the uniforms out on the playground for everyone to check at the end of each day. We don't want to get to the situation where we have so much again.

This is a time of year when we like to say thank you to everyone we have worked with throughout the year. We say thank you for the big things that people have done for us, and for the little things that may have gone unnoticed to everyone else. St. Cuthbert's is a school and community which works like a family. How we treat each other and how we maintain those caring and compassionate relationships in our mission to give our children the best opportunities possible show how strong we are. As always at this time of year, we remind families that you do not need to buy us gifts, and we ask that buddies in years 6 and Reception Class do not give each other gifts either. We ask this because we want all our children and staff to be treated with equity and equally. We do not want anyone to feel less valued than anyone else, and we especially do not want families to spend money that will be much needed for your children as we approach the summer holidays. Working with you and your children is the reward we as staff receive, and your kind and thoughtful words and messages on Tapestry and in emails mean the world to us all at the end of the year.

Thank you for your fantastic, continued support,
Shaun Dillon

Our weekly E-Safety information posters now come with a link to the National Online Safety website and further resources, including podcasts and more explanations about the app or service highlighted each week. You can access the resources by clicking here [Wake Up Wednesday](#).

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about KEEP CHILDREN SAFE ONLINE OVER SUMMER

School's out ... for summer! Yes, it's that time of the year again: around six weeks at home for ecstatic youngsters. For many young people, a bumper stint off school means a welcome chance to spend even more time with their games console, phone, tablet or smart TV. So whether your children are likely to be scrolling on Snapchat, nestling in front of Netflix or frying foes on Fortnite, we've put together some top tips to help you keep them safe online this holiday.
