

Terms of Use

Last updated: 17 February 2026

Welcome to Openband Analytics. By accessing or using this website, you agree to the terms below.

1. Overview

Openband Analytics provides geomagnetic risk intelligence and analytical content intended to support operational awareness and decision-making.

If you do not agree with these terms, please do not use this website.

2. Informational Use Only

All content provided by Openband Analytics, including reports and forecasts, is:

- Probabilistic in nature
- Based on available data and modelling
- Subject to uncertainty

Our outputs are designed to inform decisions, not replace them.

3. No Guarantees

Space weather forecasting involves inherent uncertainty.

We do not guarantee:

- Accuracy or completeness of forecasts
- Continuous availability of the service
- Suitability for any specific operational use

Use of our content is at your own discretion.

4. Limitation of Liability

To the fullest extent permitted by law, Openband Analytics shall not be liable for:

- Operational or financial losses
- Indirect or consequential damages
- Decisions made based on our reports

If you rely on our outputs, you do so at your own risk.

5. Intellectual Property

All materials on this site, including:

- Reports
- Visualisations
- Branding
- Methodology descriptions

are the intellectual property of Openband Analytics and may not be reproduced without permission.

6. Acceptable Use

You agree not to:

- Copy, resell, or redistribute our content without consent
- Attempt unauthorised access to the site or systems
- Misuse the service in any way

We reserve the right to restrict access if misuse is detected.

7. Third-Party Services

Our platform may rely on external providers (e.g. hosting, email delivery, data feeds).

We are not responsible for outages caused by third-party services.

8. Updates

We may update these Terms of Use periodically. Continued use of the website constitutes acceptance of any changes.

9. Governing Law

These terms are governed by the laws of England and Wales.
