# Premium Materials & Finishes

## Sintered Stone Countertop

## Interior & Exterior Cabinet & Door Color

## Stainless Steel Countertop

## Durable and pressure-resistant

Our BBQ Pods feature reinforced stainless steel cabinets, engineered for strength and durability to last for decades outdoors. The 6-layer stainless steel door panels use a 220°C, eco-friendly baking process, comparable to automotive paint, for a sleek and resilient finish. Countertops come in stainless steel or sintered stone, with a variety of textures and colours – from classic marble whites to modern greys and deep tones. Exterior and cabinetry finishes include powder-coated or wood grain options, giving you the freedom to mix and match doors, benchtops, and trims for a pod that feels uniquely yours.
