

2022 Annual Report

Executive Summary

Welcome to the Victoria Venezuela Foundation! We are a non-profit organization 501 (3)(c), dedicated to embed the love of Jesus to our most vulnerable children in Venezuela, bringing to each community critical food and medical attention.

Since our inception in July 2022, we firmly placed our hearts to God and commenced planting our initial seeds with a clear mission - ***design a local support network investing in the well being of these children and the future of Venezuela.***

We have been humbled and appreciative of the overwhelming support by the community, volunteers and companies propelling the faith and establishing strong core and long-term values for these children.

Our passionate and relentless team established two local support centers in: *Los Valles del Tuy, Miranda and Ciudad Bolivar, Bolivar* supporting both food and medical attention programs. Below is a brief snapshot of the work that was accomplished in 2022:
