**Weston, Florida (Oct 27, 2023)** – Victoria Venezuela Foundation is pleased to announce the continued progress during third quarter of 2023. We are thrilled to share our accomplishments and express our heartfelt gratitude to all our supporters who have made this possible.

Year to date, Victoria Venezuela Foundation achieved the following milestones:

- **Nutrition Program:** We are proud to have provided **18,000** nutritious meals to vulnerable children, ensuring they receive the nourishment they need to thrive.
- **Medical Attention Program:** Our dedicated team of volunteers and medical professionals attended to **320** children, offering them essential medical care, improving their health, and providing them with hope for a brighter future
- **Annual Mission Trip:** Our annual mission trip was a resounding success, allowing us to make a meaningful impact on the lives of children in need. We were able to provide not only food and medical care but also strengthening the calling to serve God and these children [Ephesians 2:10]
- **Companies Sponsorships:** We are delighted to announce that we have garnered the support of over **10** corporations who have generously chosen to sponsor children, ensuring that they receive the care and resources they deserve.

We extend our heartfelt thanks to our donors, volunteers, and sponsors for their unwavering support. Your contributions have made a significant difference in the lives of vulnerable children, and we could not have achieved these milestones without you.

Victoria Venezuela Foundation remains dedicated to our mission: Design support networks throughout Venezuela with food and medical care programs while teaching children to have a personal relationship with Jesus Christ. We look forward to continuing our efforts with the same passion and commitment for the future of the Children in Venezuela.
