Victoria Venezuela Foundation Shares 2Q 2026 Impact Report

5,894 meals served; 200 children received medical care; 520 children participated in spiritual-growth programs.

Victoria Venezuela Foundation Inc. today shared its 2Q 2026 Impact Report, reflecting continued care, encouragement, and hope for children and families across Venezuela.

During the second quarter of 2026, the Foundation served 5,894 meals, and 200 children received medical care. In addition, 520 children participated in spiritual-growth programs.

The Foundation also reported two new centers in La Trinidad and La Guaira. As needs evolved, it established a four-phase earthquake-relief support plan to guide thoughtful, locally responsive support.

“Behind every number is a child, a family, and a life touched by God’s love,” said Victoria Venezuela Foundation. “We are thankful for the donors, volunteers, churches, and partners whose commitment makes this work possible.”
