Victoria Venezuela Foundation Shares 1Q 2026 Impact Report

4,634 meals served; 165 children received critical medical care; 515 children found a safe place to learn, heal, and thrive each week.

Victoria Venezuela Foundation Inc. today shared its 1Q 2026 Impact Report, highlighting practical care and faith-rooted hope for children and families in Venezuela.

During the first quarter of 2026, the Foundation served 4,634 meals and connected 165 children with critical medical care. Each week, 515 children found a safe place to learn, heal, and thrive through Foundation programs.

The report also marks the Foundation's fourth consecutive year receiving the Candid Seal of Transparency, reflecting its commitment to accountability to the community and supporters who make this work possible.

"Every number represents a child and a family receiving care, encouragement, and hope," said Victoria Venezuela Foundation. "We are grateful to every donor, volunteer, church, and partner who walks alongside this mission."
