

World-Class Medical Care, Starting at \$0

Galileo is a digital medical practice that provides high-quality medical care, whenever you need it.

Get the Galileo app

Scan the QR code or visit galileo.health/surest

24/7/365 Access

Never go without care again: we're available around the clock (even on nights and weekends).

Built-In Second Opinions

Our providers collaborate on your treatment, so you can feel confident in the care you receive.

Feel Better Faster

Galileo's multidisciplinary team treats 90% of needs without a referral.

What you can do on the Galileo app:

Receive care by text, phone, or video

Refill prescriptions

Request labs and referrals

To access care, download the app and tap **Consult** our medical experts.
