

# Minnesota State Patrol Troopers Association

**Thank you for your 1/14/26 pledge of \$20.00!  
Pledge #: 5W-99-500**

Dear Mr John Doe,

Thank you for agreeing in our recent phone conversation to support the Minnesota State Patrol Troopers Association. We are very grateful for all the generous help and support we receive from citizens and businesses throughout the state.

Our association is a nonprofit organization established by Troopers for Troopers. Membership consists of active state troopers throughout Minnesota. Our association represents the individual members and not the agency that employs them, and we rely on supporters like you to continue our programs.

Net proceeds from this project go into our general operating account to not only help run and support our association but also enable us to continue many of the vital programs of our association, some of which include:

- Bears That Care
- A Law Enforcement Scholarship Program
- Fallen Partners Recognition
- Support for The House of Shields
- Wishes 'N More

Your support is greatly appreciated by me and our entire membership. Please accept the enclosed window decal as a token of our appreciation. We hope you display it proudly, as a show of your support for the Minnesota State Patrol Troopers Association. Thank you again for your pledge!

Best Wishes,  
Jason Theel  
President

***Please take a moment to mail your pledge today!***

## Honoring Those Who Have Made the Ultimate Sacrifice

*Every day a State Trooper goes on duty, knowing their life may end that day protecting and serving the citizens of their state. Yet each day Troopers throughout the country, who are often overlooked, proudly do so to help protect the lives of our loved ones and keep our highways safe. All of them have given some, and some have given all. We ask that you join us in honoring the brave men and women who have made the ultimate sacrifice. Our thoughts and prayers go out to the families whose lives are changed forever and will be without a father, a mother, a spouse or a child.*

## DEGREES OF DISTRACTION

*Texting is the most dangerous distraction because it requires three of the primary degrees of attention required to drive safely: visual, manual, and cognitive.*

The Minnesota State Patrol Troopers Association represents the Minnesota State Trooper members and not the agency that employs them. Its views, opinions, policies and publications in no way reflect the viewpoint of the agency. MSPTA maintains its headquarters at PO Box 23, Zimmerman, MN 55398. It is illegal to use the name, badge or insignia of any Law Enforcement Agency without authorization. No member of a Law Enforcement Agency can use or allow the organization to use their title, position or any other thing pertaining to police in a solicitation. Although the MSPTA is recognized as a nonprofit organization by the IRS under IRC 501(c)(5), because of its particular status, donations are not tax deductible as charitable contributions for Federal Income Tax purposes. When you provide a check as payment, you authorize us to either deposit the check as a check transaction or use information on your check to make a one-time electronic debit from your account. The MSPTA programs would not be possible without the community sponsorship and support. It is for this reason the Association has retained the services of United Partners Outreach, Inc., as a campaign organizer and professional fundraiser who when required has registered with the state and who shall assist with sponsor enrollment and delivery of services and shall receive as costs, expenses and fees, a portion of the solicited funds raised through this solicitation for such services. A portion of the gross sponsorship proceeds is used to defray the expense of public education, administration and the cost of this appeal. Registration by the state agency DOES NOT CONSTITUTE or IMPLY endorsement of either the organization, the professional fundraiser or the cause.
