PRESSURE WASHING

Hard Surface Cleaners (HSC) specialises in commercial pressure washing, providing an efficient and powerful solution for removing dirt, grime, and tough build-up from your property. With our skilled team and state-of-the-art equipment, we deliver exceptional results that restore the cleanliness and appeal of your space. Count on us to refresh your property with our high-quality commercial pressure washing services!

- Pressure washing provides significant benefits for various commercial applications.
- Ideal for shopping centres, schools, restaurants, universities, distribution centres, petrol stations, factories, and car parks.
- Effectively removes years of dirt and grime build-up in a single wash.
- Restores cleanliness and freshness to your commercial space.
- Delivers remarkable results with a deep cleaning method.
- Trust our expertise to rejuvenate your property and create a welcoming environment.

SOFT WASHING

Not all surfaces can withstand the intensity of high-pressure cleaning, which is why we offer commercial soft washing as a gentler alternative. This technique uses biodegradable detergents applied with either an extension brush or low-pressure nozzle to effectively remove mould and dislodge dirt, ensuring a thorough clean without damaging delicate surfaces.

- Commercial soft washing offers a gentle yet effective cleaning solution for delicate surfaces.
- Ideal for industries such as hospitality, healthcare, education, and retail.
- Tailored services to meet the specific needs of each business.
- Ensures a safe and pristine environment for your property.

GUTTER VACUUMING

The sun might be shining today, but don't wait for the next storm! Gutters that are clean and well-maintained are essential for protecting your property from water damage, especially for retirement villages, real estate agencies, commercial properties, and strata complexes.

WHY CHOOSE GUTTER VACUUMING?

- Non-Invasive: Safe for all property types, including multi-story buildings.
- Fast & Efficient: Thorough cleaning without the mess of traditional methods.
- Prevents Blockages & Overflow: Avoid water damage and costly repairs.
- Reduce bushfire risk by removing debris
- Environmental-Friendly: No harmful chemicals, just powerful suction.

CARPARK AND MAT CLEANS

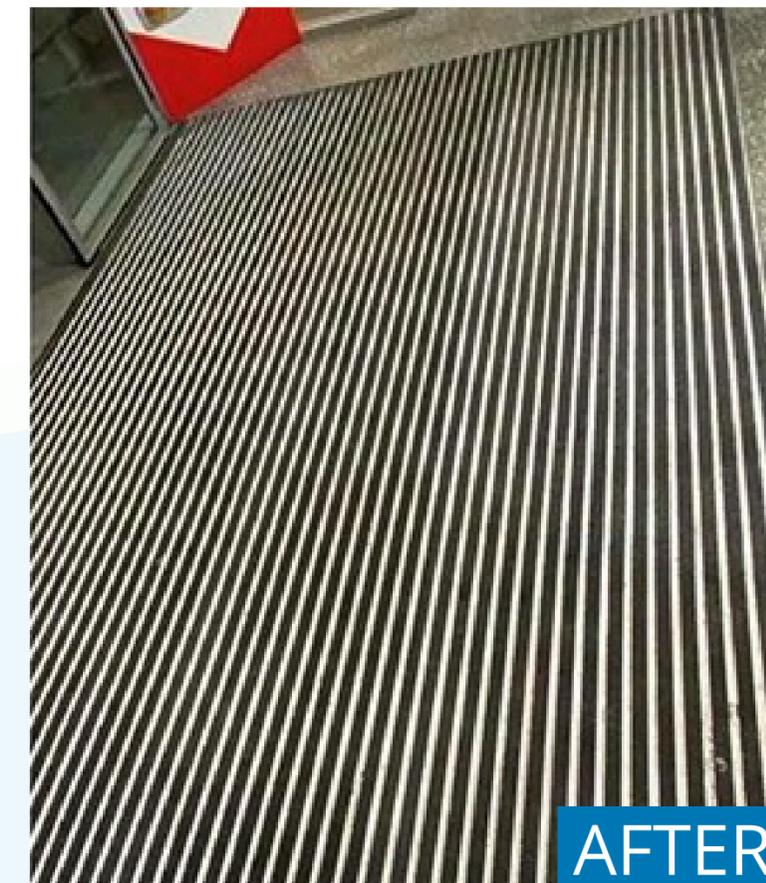

We have the right vehicles and equipment to clean car parks of all sizes and layouts.

Thanks to our advanced cleaning and water capture systems, we can pressure wash and remove water from undercover car parks and internal building floors, ensuring minimal disruption and no impact on local waterways.

Make your first impression count by having your front entry mat cleaned by our expert team!

Our services include:

- Deep cleaning of carpark floors
- Bollards and pillars
- General rubbish removal
- Cob web removal
- Carpark ramps
- Pedestrian walkways
- Safety lines
- Entry mats and upholstery

GARDENING & LANDSCAPING

We offer a wide range of commercial landscaping services designed to enhance the appeal and overall atmosphere of your facility.

Whether you're looking to create a welcoming outdoor environment for visitors or maintain a pristine exterior year-round, our team is dedicated to improving the beauty and functionality of your property.

- Landscaping rejuvenation
